LOOK AROUND YOU AND SEE THE SHAPE...

These conditions were not spectacular but might have stuck in your mind. They are shapes that are and always will be.

Maybe the events of the year remain more vivid in your mind. The excitement of the Friday night football game as the last seconds disappeared off the score board, your stomach had to be tied in a square knot. And the assemblies, you could expect anything from the Godfather to a revisit from the 50's. The event you could have recalled the best is asking that special person you had been watching to a dance. And Something . . . nearly everybody must remember is their classes and how long and drawn out some of them were. And of course the fun you had with your friends. The events that surrounded you this year were just a small part of your life. But they had

to lose a ratio loco thats "allright" hope you stay with your head glorias. And were still going to party at there Smoking 'yesse' add all stuff later eat Stee

some kind of an effect on you and while none were earthshaking they still helped to shape your experience here.

Did you ever take a good look at this school? Everything was some kind of mold or pattern.

Everybody has different ideas and different ways of expressing themselves.

Just like the different lettering used in each section of this book, the students didn't look alike and didn't use the same methods to express themselves. But they shaped the school and the events around it.

All your life you will shape or form new ideas. Your time at El Rancho is just part of the pattern you're cutting.

What do you remember about this year? Maybe some of the shapes around school. The endless lines of students waiting to get readmits. The off limits area always

full of people during lunch. And the place you could always find students passing the time of day, by the No Loitering sign. Or maybe the fashions will remain best in your mind. If you were five inches higher in your shoes you were right in style. And trying to find a restroom that was open was next to impossible. Or maybe you'll recall the run you had trying to figure out what time it was by the clocks that kept such accurate time, and never knowing when the bell would ring. The cars in the parking lot were something to look at too. Vans with murals and odd shaped windows on the sides. Low riders with carpeted dashes and a rear ground clearence of half an inch.

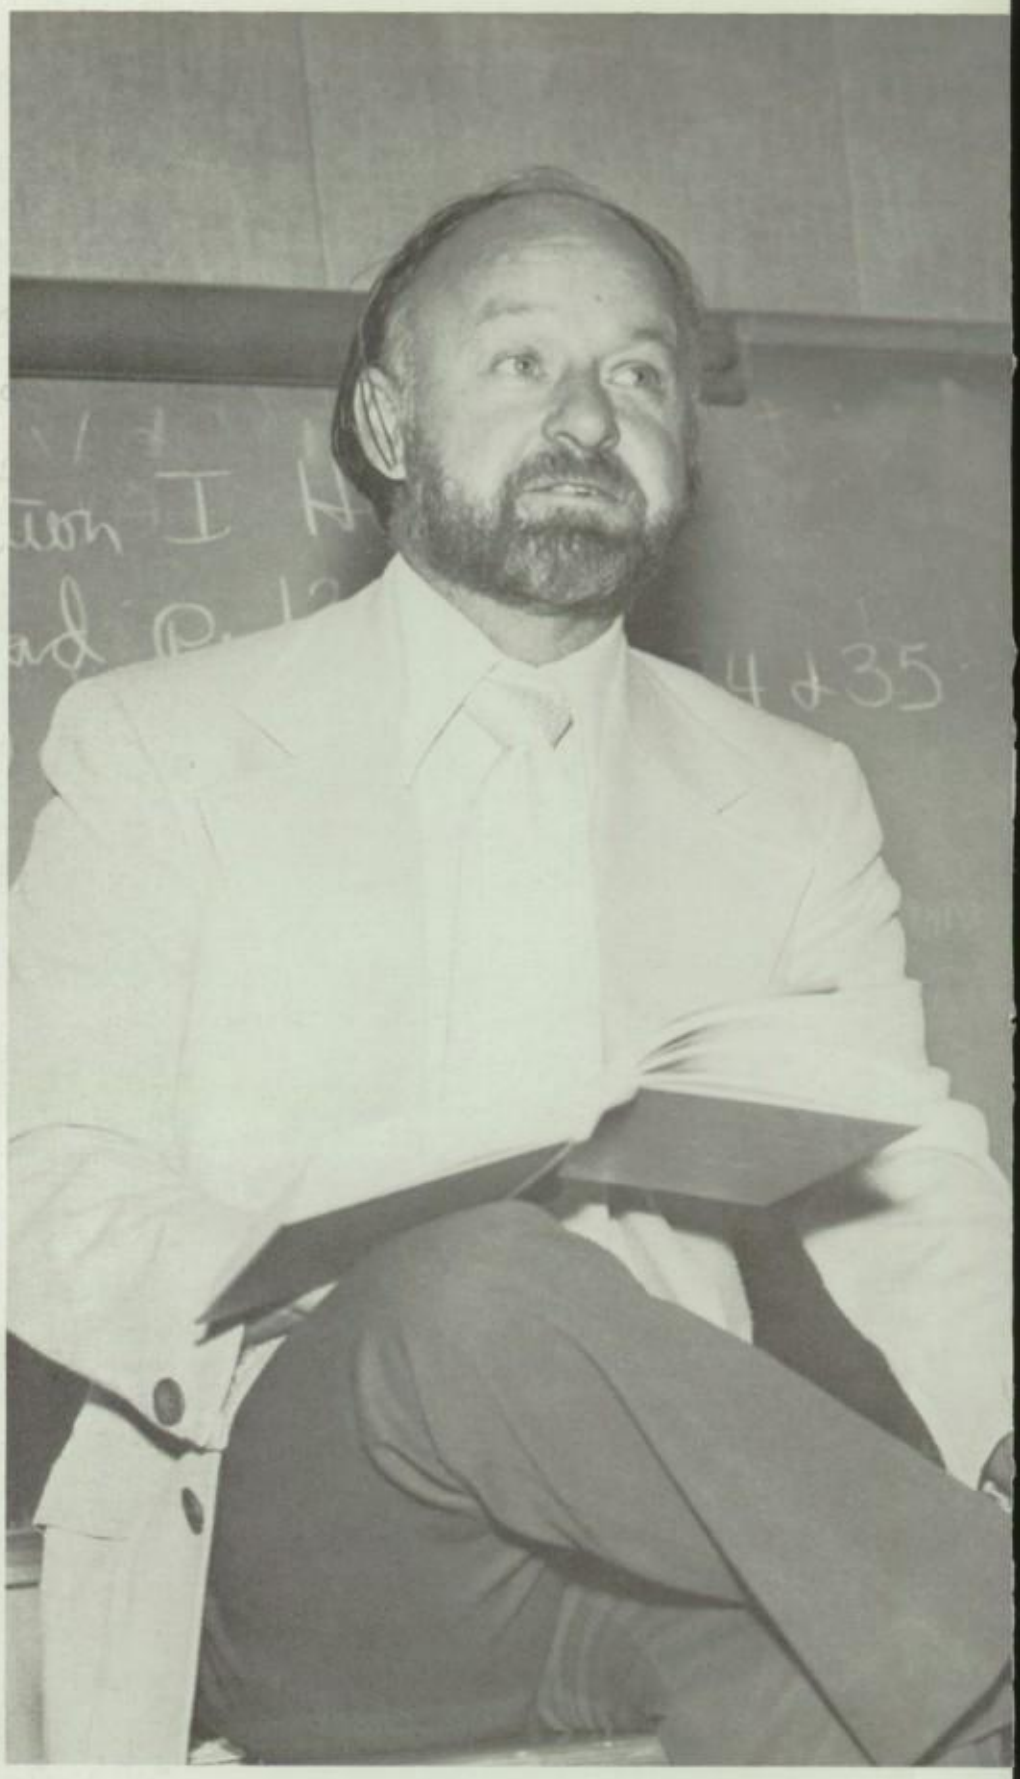
WE DEDICATE THIS TO YOU... RICHARD REINBOLT



Sharing his interests with his classes makes time spent with Mr. Reinbolt more than a learning process; it is a special experience. Most of his life he has been very active, enjoying theater, music, and the sea. During his high school years he was involved in student government, glee club and a boys' social club. While in the Navy he went around the world and after his enlistment he went to Los Angeles State College and earned his Bachelor of Arts degree.

He came to El Rancho in 1960 and has been teaching here ever since. During his time at E.R. he earned his M.A. at San Fernando State College. In addition to his English classes, he also took over the drama classes during 1969-70. For many years he has worked on Creative Dimensions, the school's creative arts magazine, on his own free time to help expose youth to the world of writing and art. Helping students to be more creative is one of Mr. Reinbolt's main talents.

And when you stop and think of all his former students who constantly return to see him you know he's got something going for him.

"A Sign of the Times" was the theme for this year's Homecoming. The Seniors' sweepstakes winning float embodied this idea by displaying reminders of their coming graduation and what lies ahead.

El Rancho alumni returned to enjoy a luncheon and to talk with old friends and teachers.

At the Homecoming game, after a hard fought battle, the Don football team was victorious over Arcadia. Queen Barbara Valenzuela and her court, who were crowned earlier in the day, were honored during the half-time.

Homecoming was a memorable occasion once again, for all.

Just What Our Yell Leaders and Mascots are.

With spirit, they promoted enthusiasm at games and at pep rallies.

The yell leaders introduced new yells and chants to the student body which soon became favorites. The yell leaders can be commended for their spirit, their proficiency in performing the stunts and for their megaphone madness.

For all sports activities, Debbie and Georgia can always be found supporting our team. Their crazy skits, their enthusiasm and their bubbling personalities all contributed in creating spirit.

Both squads spent countless hours practicing for the games and pep rallies. Filled with liveliness and zeal, they sparkled during each performance.

Off for a spin are mascots Georgia and Debbie on their tandem bike. Filled with endless energy and enthusiasm, Georgia Rogers and Debbie Loveall compose the mascot squad. Striking an impressive pose to end a yell during the welcome assembly. Yelling her loudest, Terry Puente tries to get the crowd to yell. set a romantic mood for Girls' League.

Christmas spirit and a wintery atmosphere kept the theme, "Winter Wonderland", alive though out the evening. Set in the Don Ballroom from nine to twelve, it is still a high light of every year at El Rancho.

Credit for another triumphant dance goes to second vice president, Cecile Valle and advisor, Janet Banks, without whom this affair would never have come about.

and we ended the show.

"The greatest!"—That is what the audience said about this year's Coed Capers. Alums that have been attending the show for years felt that this year's skits were outstanding in both skill and costuming. Both Miss Janet Banks, Girls' League Advisor, and Elaine Santoorjian, Student Director, felt that this year's group of girls was outstanding in its cooperative attitude and sportsmanship.

A "fun" type theme, the show had a great deal of variety to it. The Reindeer of "Rudy's Rockin' Red Nosed Reindeer" were the popular choice of the Special Education classes which came to the Wednesday matinee. Chosen by the show groups, the technical crew, stage crew, Elaine and Miss Banks, "Those Loony Lucky Leprechauns" displayed the qualities of exceptional good Sportsmanship which helped to make the show run smoothly.

The judges at the Friday night show had a difficult time making their selection when there were so many good groups in the show. However, the winners named as the top three, based on originality, skill, costumes, props, and audience appeal, were "Santa's Heap of Hilarious Helpers", "U.S.O.'s Operation Entertainment", and "Trick or Treatin' Bouncing Bazookas". The P.T.S.A. "Mummy Monsters" and the "Faculty Frolics" were a smashing success, bringing roars of laughter from the girls.

Everything they plan is right.

Fortunately El Rancho has one of the most successful Girls' League organizations in Southern California. This year's Cabinet was exceptional. Bucky Rubio presided as President, while Elaine Santoorjian assumed the responsibilities of first vice president. Cecile Valle did a wonderful job with this year's Girls' League dance, while Alice Andujo served as secretary. Historian Barbara Cortez, Sunshine Chairman Pat Gutierrez and Publicity Chairman Yoly Garcia complete the cabinet. The Girls' League Dance, Coed Capers, Cotton Day and the Mother Daughter Dessert are among the many activities Girls' League officers plan. The leadership of Miss Janet Banks adds much to the success of the organization.

Coed Capers could not have been put on without the aid of the technical and stage crews. With many new members added to this year's technical crew they synchronized the lighting to the dances. After eleven girls yelling, "Black light, red, blue light," etc., the technical crew had their work cut out for them.

Behind the scenes are the stage crew, these girls are responsible for moving the heavy backdrops and side props which each skit uses.

Faculty Frolics proved to be the highlight of the Friday night show once again. Consisting of advisors and faculty women they portray dance steps which represent each skit.

STAR SPANGLED GIRL, a smash-hit comedy under the direction of Mr. Squire Fridell, was presented by the drama department. The play featured the talents of Debbie Garrabrant, Joe Hernandez, and Steve Rose. The laugh-a-minute show ran to capacity audiences four nights in the El Rancho Little Theatre.

El Rancho's Drama and Music Departments combined efforts for the spring production and the first run right were obtained for the sensational ecology review MOTHER EARTH. El Rancho was fortunate enough to be the first non-professional group to do the musical.

The show ran to over capacity houses for five consecutive nights to overwhelmingly enthusiastic crowds. Starring in the cast were the multiple talents of Denise Alarcon, Barbara Contreras, Paul Davidson, Debbie Garrabrant, Joe Hernandez, Sonja Mendez, John Pantoja, Steve Rose, Diane Sanchez, Robin Ury, Al Valenzuela, and Jacob Volkov. You had to see Mother Earth to believe it!

A scene from the spring play "Mother Earth". Steve Rose strikes an impressive pose in his role as "Norman Cornell." Sophie Rauschmeyer, better known as Debbie Garrabrnat, is truly a "Star Spangled Girl". Happy at the sound of Sophie's voice is Joe Hernandez in Star Spangled Girl. Up the Band.

"Smile and pick up your feet" may not mean much to most people, but to these girls these words hold special meaning. Ten skillful marchers proudly carry our gold and blue glimmering banners spelling El Rancho like a flash of lightning. Royal blue and white flags are carried by ten charming girls known as Flag princesses. With color and coordination the majorette squad has displayed much talent this year. Whether at halftime, pep rallies or parades these girls always give their best.

FUZZY

Hats top off marching attire.

The thundering sounds of the horns and the rhythmic beat of the cadence heralds the arrival of the band. Confident and proud the El Rancho High School Band marched in many competition parades and performed at numerous football games. They were spiritedly led by Director, Bob Kohler who strived to make the band's year eventful.

RANCHO

and the bands played on.

Starting the season off by playing chamber music, and classical tunes, the El Rancho Concert Band performed many concerts here at El Rancho. They were appreciated and liked by all, as they continued to entertain throughout the year with outstanding music ability.

The rocking beat of the El Rancho Stage seemed to liven spirits everywhere. This year with their music ability and talent, the Stage Band performed at the annual Homecoming assembly, and many other school functions. They added a little spice to the music scene here at El Rancho and displayed a spirited attitude whenever they performed.

Of course these bands would be no where if it were not for the hard work, dedication, and friendliness of their director, Mr. Bob Kohler. He greatly contributed to the success of these fine bands and provided the El Rancho Concert and Stage Band with an fun-filled and exciting year.

On the drums, Richard Martinez and Willie Davis await their cue. The brass section of the band plays a new song for the assembly crowd. A stunning instrumental selection. "Donna of the Year" is a special honor. The lucky girl gains the title because she is selected during Girls' League elections by her fellow female students. The candidates for "Donna of the Year" are nine girls who were chosen as "Belle of the Month" in their Sophomore, Junior, or Senior year. Girls' League officers and representatives vote on the Belle at their board meetings. Before this Girls' League meeting, girls can put their suggestions for Belle in a box in the girls' locker room. These suggestions are based on the friendliness, school spirit, citizenship, posture, and good grooming of the girl. The announcement of "Donna of the Year" is made during the Girls' League installation assembly.

Four exceptional senior students receive the Bank of America Awards every year. On the basis of their achievements in the fields of Fine Arts, Liberal Arts, Vocational Arts, and Mathematics and Science, various teachers and counselors select the winners. These students must also set good examples in citizenship, service, cooperation, and character. The recipients compete with trophy winners from other schools in order to win cash prizes.

Certificate of Merit is awarded to select students for their abilities in fields such as social studies and drama. These awards and the Bank of America trophies are an honor to receive and helpful to the students in entering the college of their choice.

CERTIFICATE WINNERS BOTTOM ROW (L-R): Steve Rose, (Drama), Karen Bradshaw (Business), Norma Bueno (Mathematics), Becky Jurado (Foreign Language), Laura Buster (Laboratory Science). ROW 2: John Bateman (Music), Katherine Durham (Social Studies), Julie Ostoich (English), Richard Montenegro (Trades and Industrial). Tony Lujan (Agriculture), Pam Vital (Home Economics).

of the Choirs.

A select group of our talented singers make up the Choraleers. Besides performing at school assemblies, the Choraleers went Christmas caroling at Bullocks, entertaining at clubs and Jr. High and Elementary schools.

Once again, the Concert Choir and Choraleers performed at Disneylands' beautiful Candlelight Procession. The Concert Choir also makes appearances at school assemblies along with the Girls' Glee.

Awaiting the presentation of the flag is Sgt. William Johnson and ROTC troops. ROTC FIRST ROW (L-R): Sgt. The precision in marching which ROTC stresses is displayed. Inspection is a tense moment for some ROTC members as shown. Proudly carrying our United States flag and the official ROTC Flag are ROTC color guards.

Perfectly syncronized

IMAGES

are portrayed by the members of R.O.T.C.

Proudly with honor, they represent ROTC at parades, competitions and at ceremonies. Captain William Steinken and Gunnery Sergeant William D. Johnson, along with assistance from student officers develop each member into a fine, intelligent person.

A new image was given to El Rancho's ROTC. Of the six years El Rancho has had this program, this was the first year girls were entitled to join. They, along with the boys, learn various drills with weapons, water survival, and self defense. ROTC tries to teach the basics of military training, customs, and courtesies.

Each individual acquires the art of leadership and self-discipline. Each member tries his best to be chosen as Marine of the Month, which is selected by the officers. The award, "Marine of the Year" is given to the finest disciplined and all-around Marine.

BOYS' AND GIRLS' CHOICE Albert Quintana and Susie Tafoya. Voted favorite boy by all senior girls and voted favorite girl by all senior boys.

SUCCESS Caryn Burgess and Hector Gonzalez. Voted by all seniors as most likely to succeed after graduation.

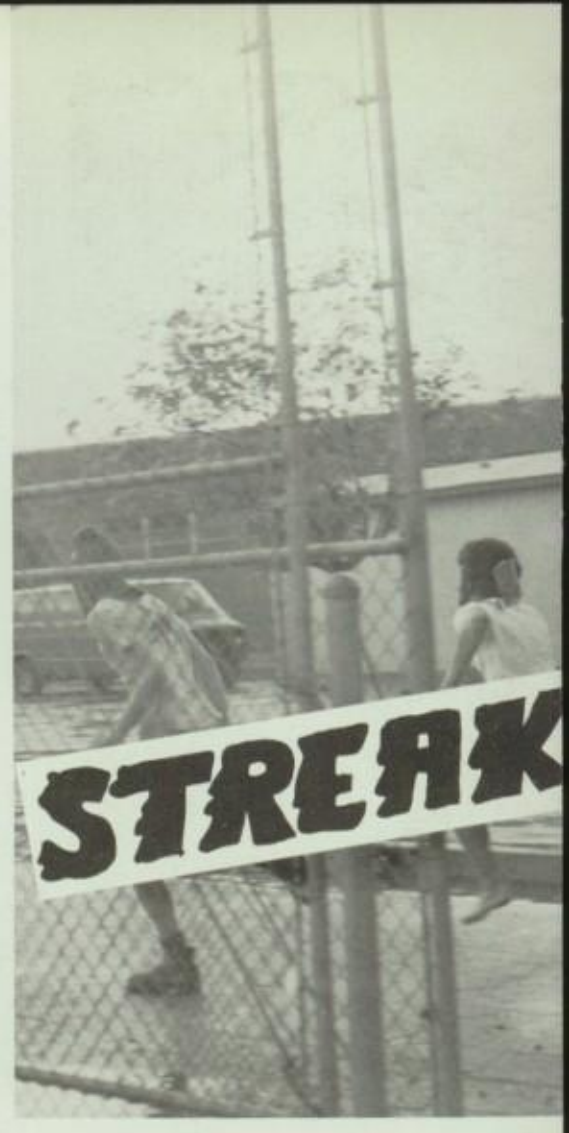
ATHLETIC-SPIRIT Fran Alberts and Debbie Camarillo. Voted by all seniors for his athletic ability and her school spirit.

ALL AROUND George Ellington and Patti Tani. Voted by all seniors for their personality, friendliness and activeness in school.

TALENTS Paul Davidson, Steve Rose, Don Anton, Mike Castro, Armando Ayala, Jan Schahrer, Yolie Garcia. Chosen by the Fine Arts Department for their outstanding talents.

FASHION SETTERS Adrian Ahumada and Liz Ruvalcaba. Chosen by the Boys' and Girls' Council for their neat appearance.

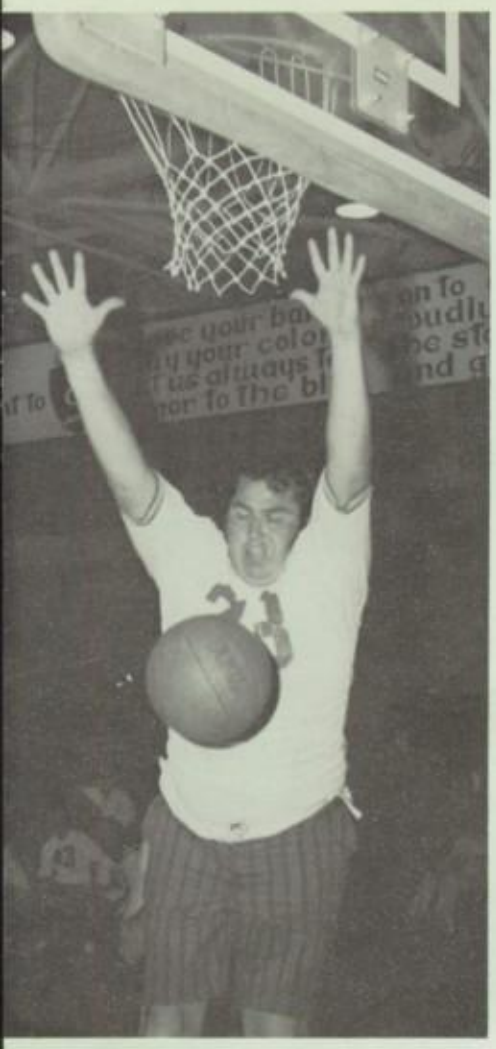
ACADEMIC Robin Ury and Hector Gonzalez. Chosen for their high academic grade point average at the end of their junior year.

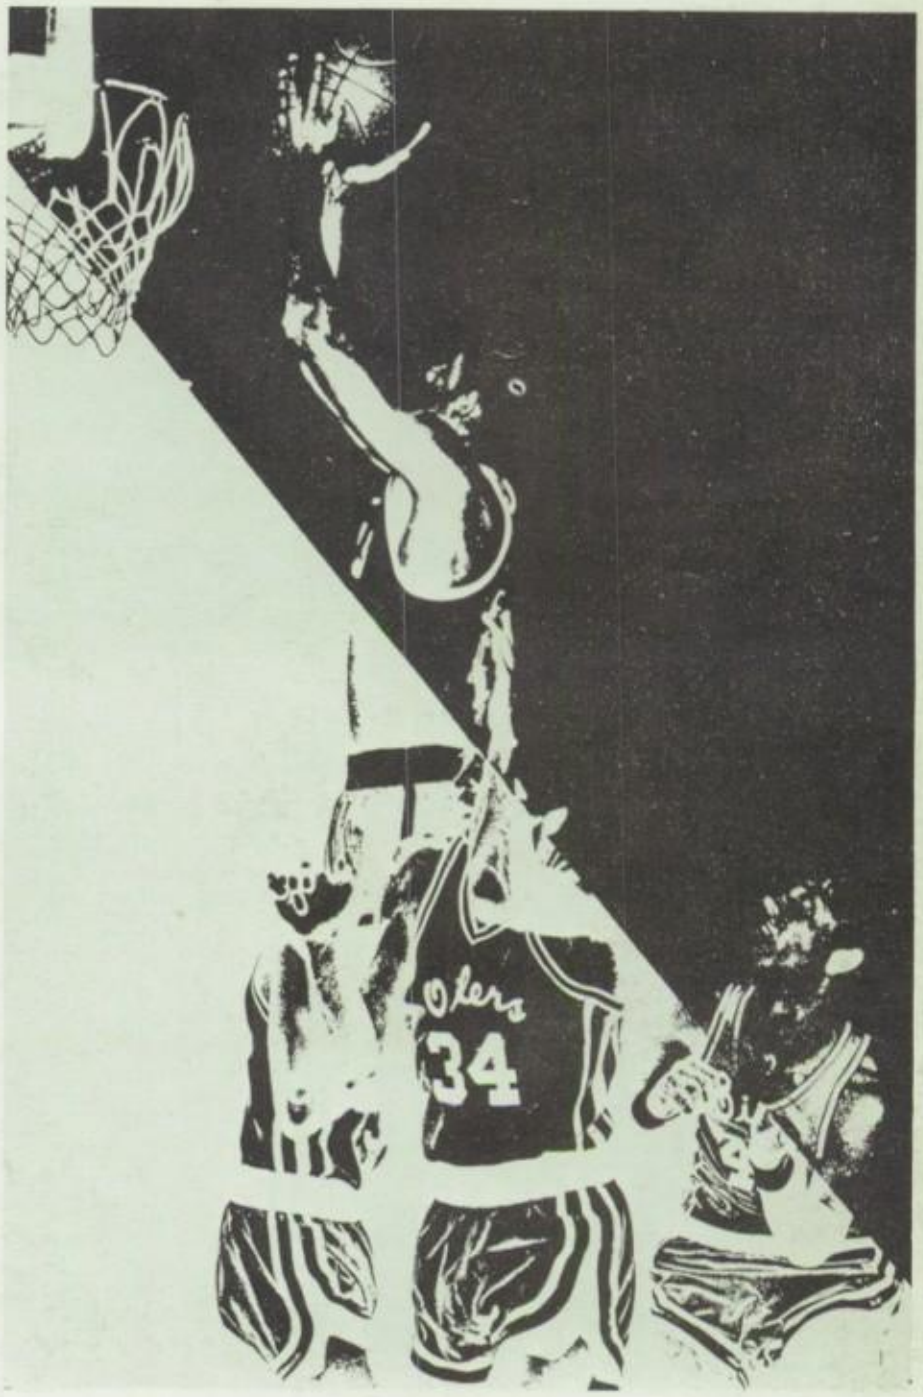


1974 Winter Belle, Debbie Camarillo, and escort, Julio Salcido. The students' victory over the faculty couldn't have been done without the Farrell brothers. Streaking through El Rancho. Displaying his basketball talents, Mr. Tony Sandoval. Annual and Newstaff go arm and arm as advisers show. A perfectly executed shot by Larry Velasquez. The Ambassador Hotel set the scene for this years' Junior-Senior prom. Mardi Gras Madness was part of the excitement of Coed Capers. Hume Bates, the winner, in the Burrito Bash. The first El Rancho televised basketball game was against Pasadena. Expressing his joy at 2:45 on a Friday afternoon, Mr. Brian Jacobs. Winners of the doll dressing contest were: Debbie Govea, Melody Gillian, Estelle Nunez, Shelley Marker, Robin Ury. Miss Julie Ellis with Connie Hall and Norma Ramos, the lucky winners of the pie in the eye contest.

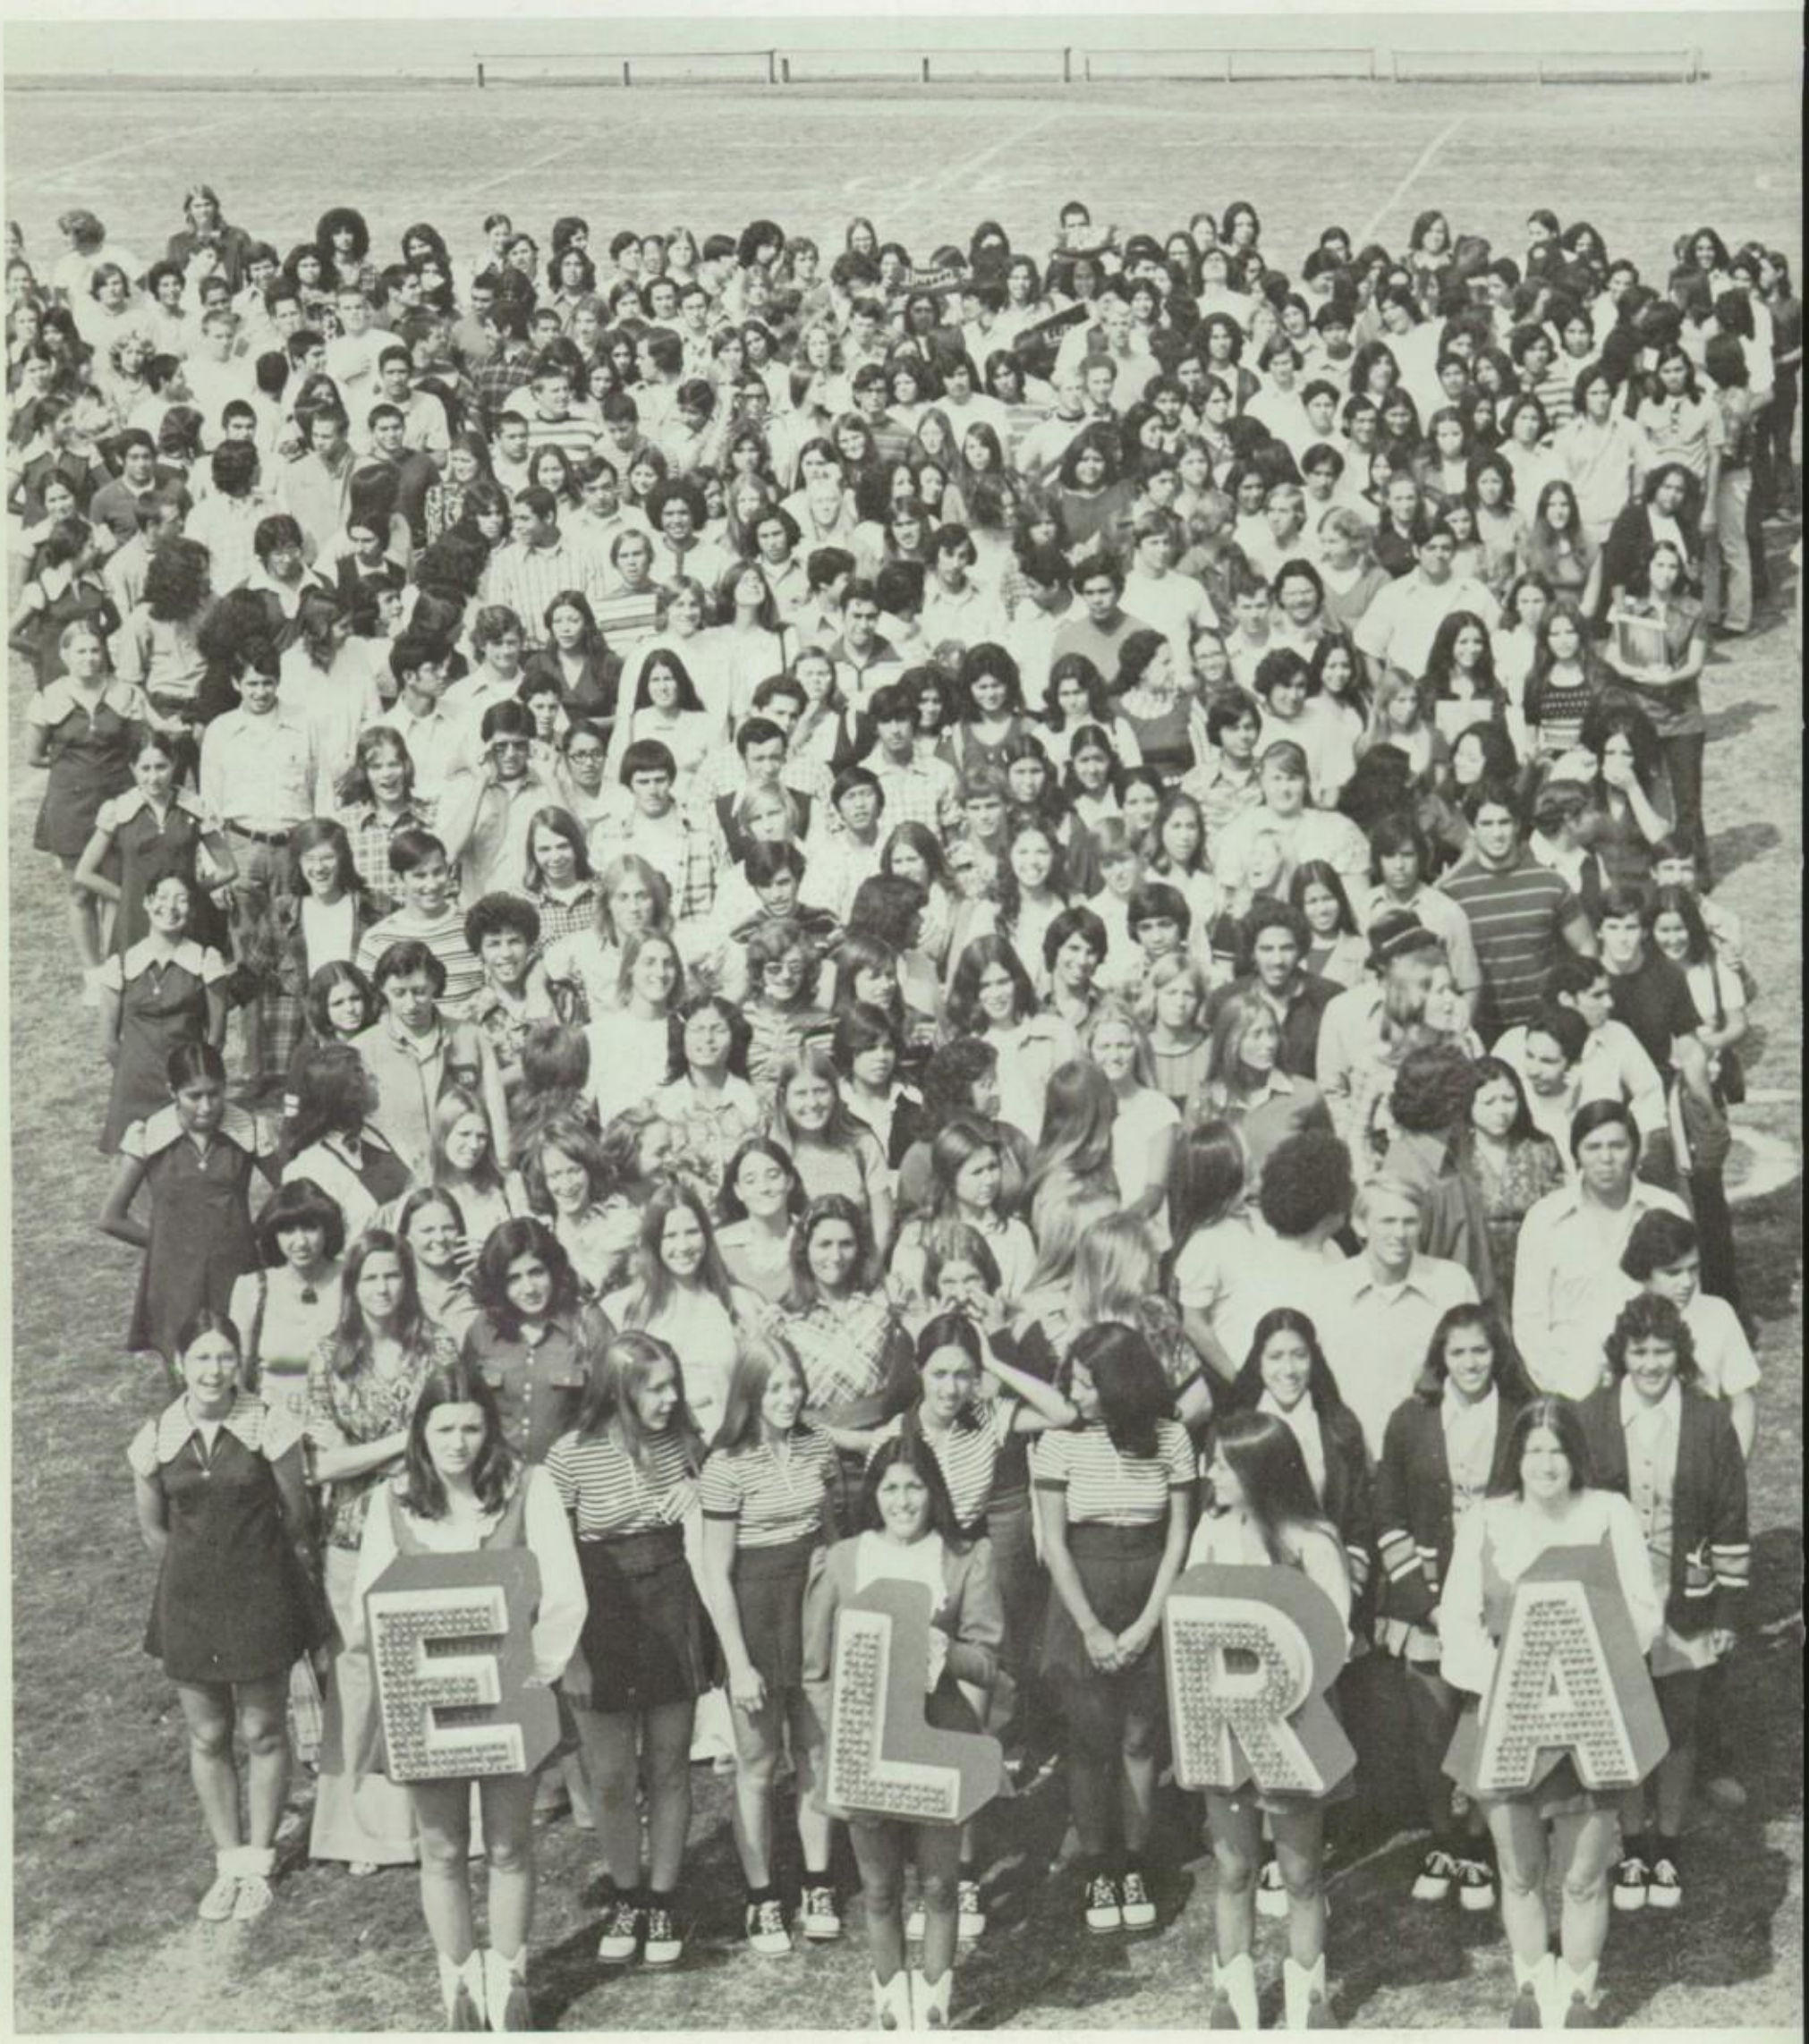
Yes

What a year it really was!

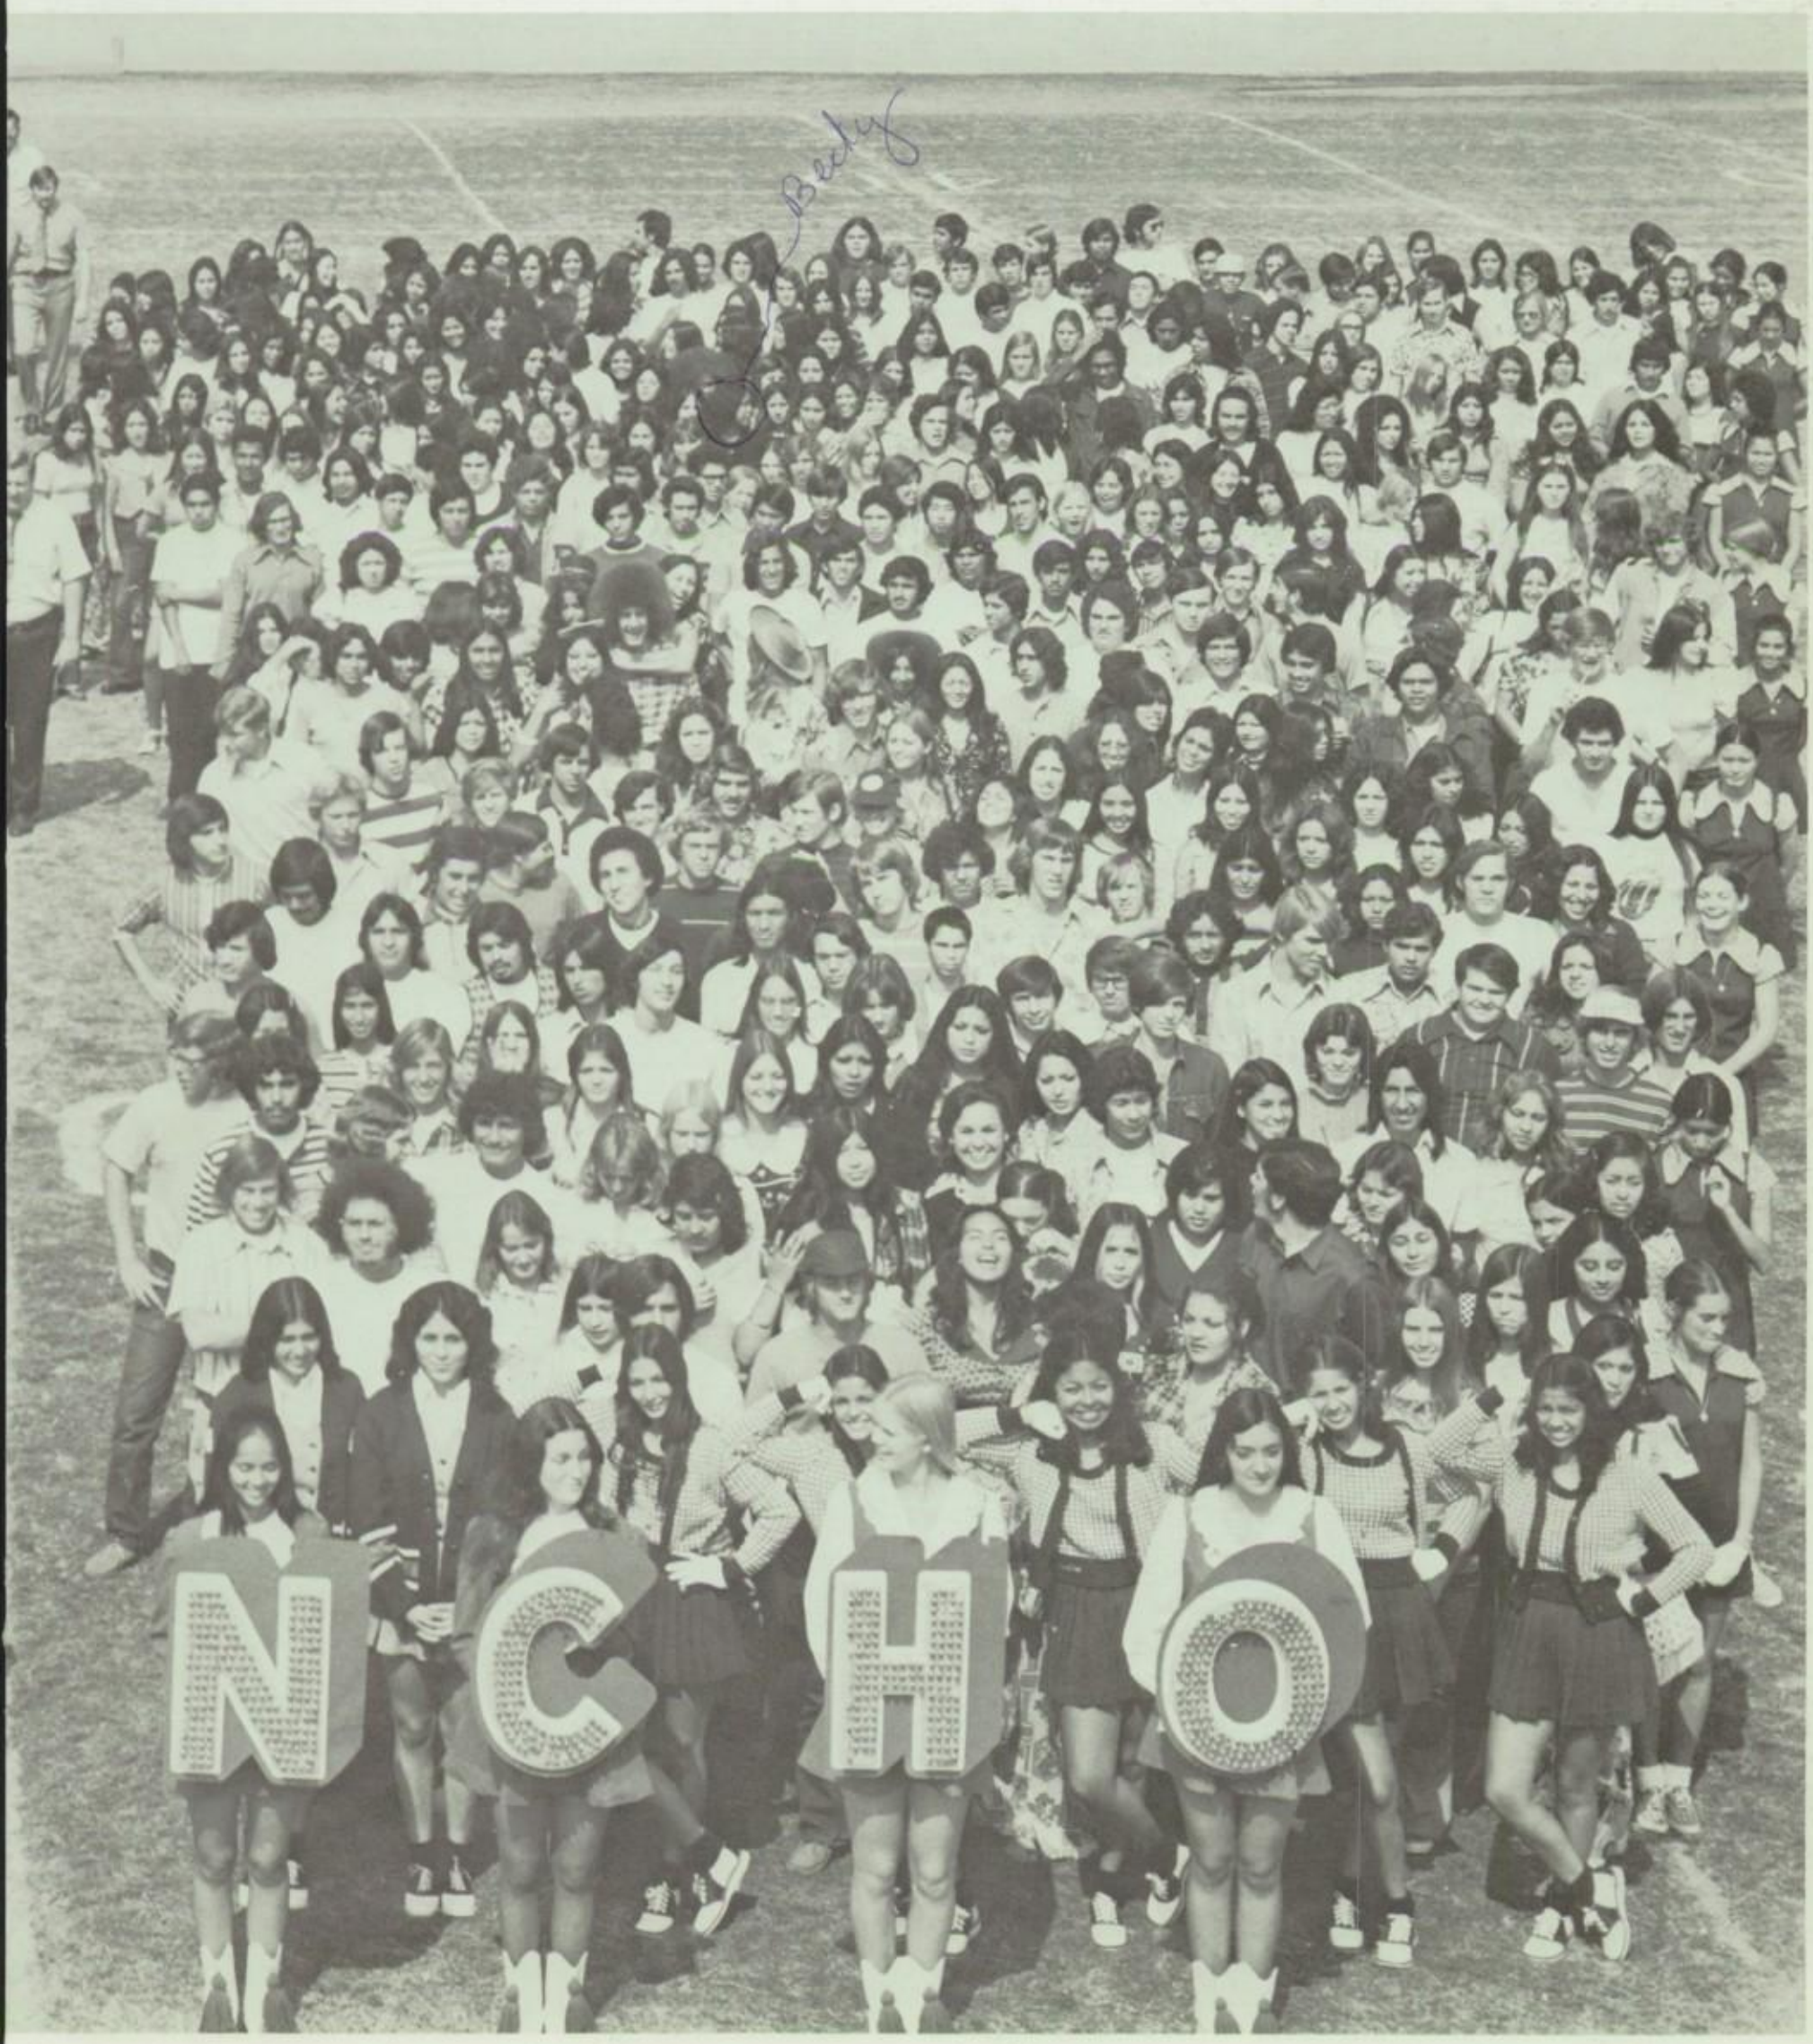




MOVE 'EM OUT



. . . because after all the time spent as sophomores and juniors now,



. . . As the Year Ends
the Senior Will Be on Their

WAY OUT

Now as we end our final year we can look back upon our achievements, hardships, and disappointments. Our purpose as young adults is to learn from our disappointments and build on to our achievements.

We, as seniors at El Rancho, have built the foundation for our future. The class of '74, I feel, has contributed to society one of the finest graduating classes ever from El Rancho. One of the main reasons for our success has been the students, who have shown strength, and determination, but above all—cooperation.

Without this cooperation, my job would have been meaningless. So as we end this year, we go to further our education, meet new people, but most of all, we leave to enjoy life.

Members of Youth in Government during a lighter moment in quad.

It's not

ANARCHY

When a group of high school students take over the city government, it might be thought of as a revoltion, or at least mass confusion. But when it happens here, it's students taking part in Youth in Government.

Five candidates are rtoeen from a list of ninety five applicants by the senior class. These five chose a mayor andagice-mayor and the rest become councilmen. These five select the city officials from the rest of the applicants.

Fone one day, the etadents take over various positions in the City Hall, make recommendations on how to better the city, and meet their counterparts. The Council, later on, reviews the recommendations made by the students.

May 16, along with the Executive Commission, they flew up to Sacramento to tour the state capital.

Second Period—the Time Students

FLOCK

to the House and Senate

Why do these students get out of class? Because the House and Senate together make up the legislative branch of ER's government. Each homeroom at the beginning of school selects one student to represent them in the House. The purpose of the House is to pass bills and discuss important matters. The Speaker of the House presides over all meetings and represents the House in Executive Commission.

Likewise, each club and commission on campus, elect their representative for the Senate. The function of the Senate is to pass bills and handle all authorizations necessary for each club on campus.

Helping people find

SEATS

is one thing they do

Ushering at football games and assemblies isn't the only thing members of Boys' and Girls' Council do. They are El Rancho's service group and besides helping seat people, they give crippled children a Christmas party, and participate in El Rancho's Leadership Conference in March.

Every year one Junior girl and two Junior boys have the chance to be Girl's and Boys' States. At State camps they set up mock governments with elections and law making units. The experience gives students a chance to see first hand how a government runs.

. . . If You Come

LATE

to First Period

Rushing to get to first period isn't the only thing members in Executive commission do. The commission is made up of elected student body officers, commissioners, class presidents and newspaper and annual editors. Every morning they meet to direct school activities and learn parliamentary procedure. They discuss issues important to the welfare of the student body and look for answers to problems that arise. At different times during the year, members take part in leadership conferences to get ideas for bettering El Rancho. And the five cents you pay for being late, that goes into a box and is used for the banquet at the end of the year.

These People Do

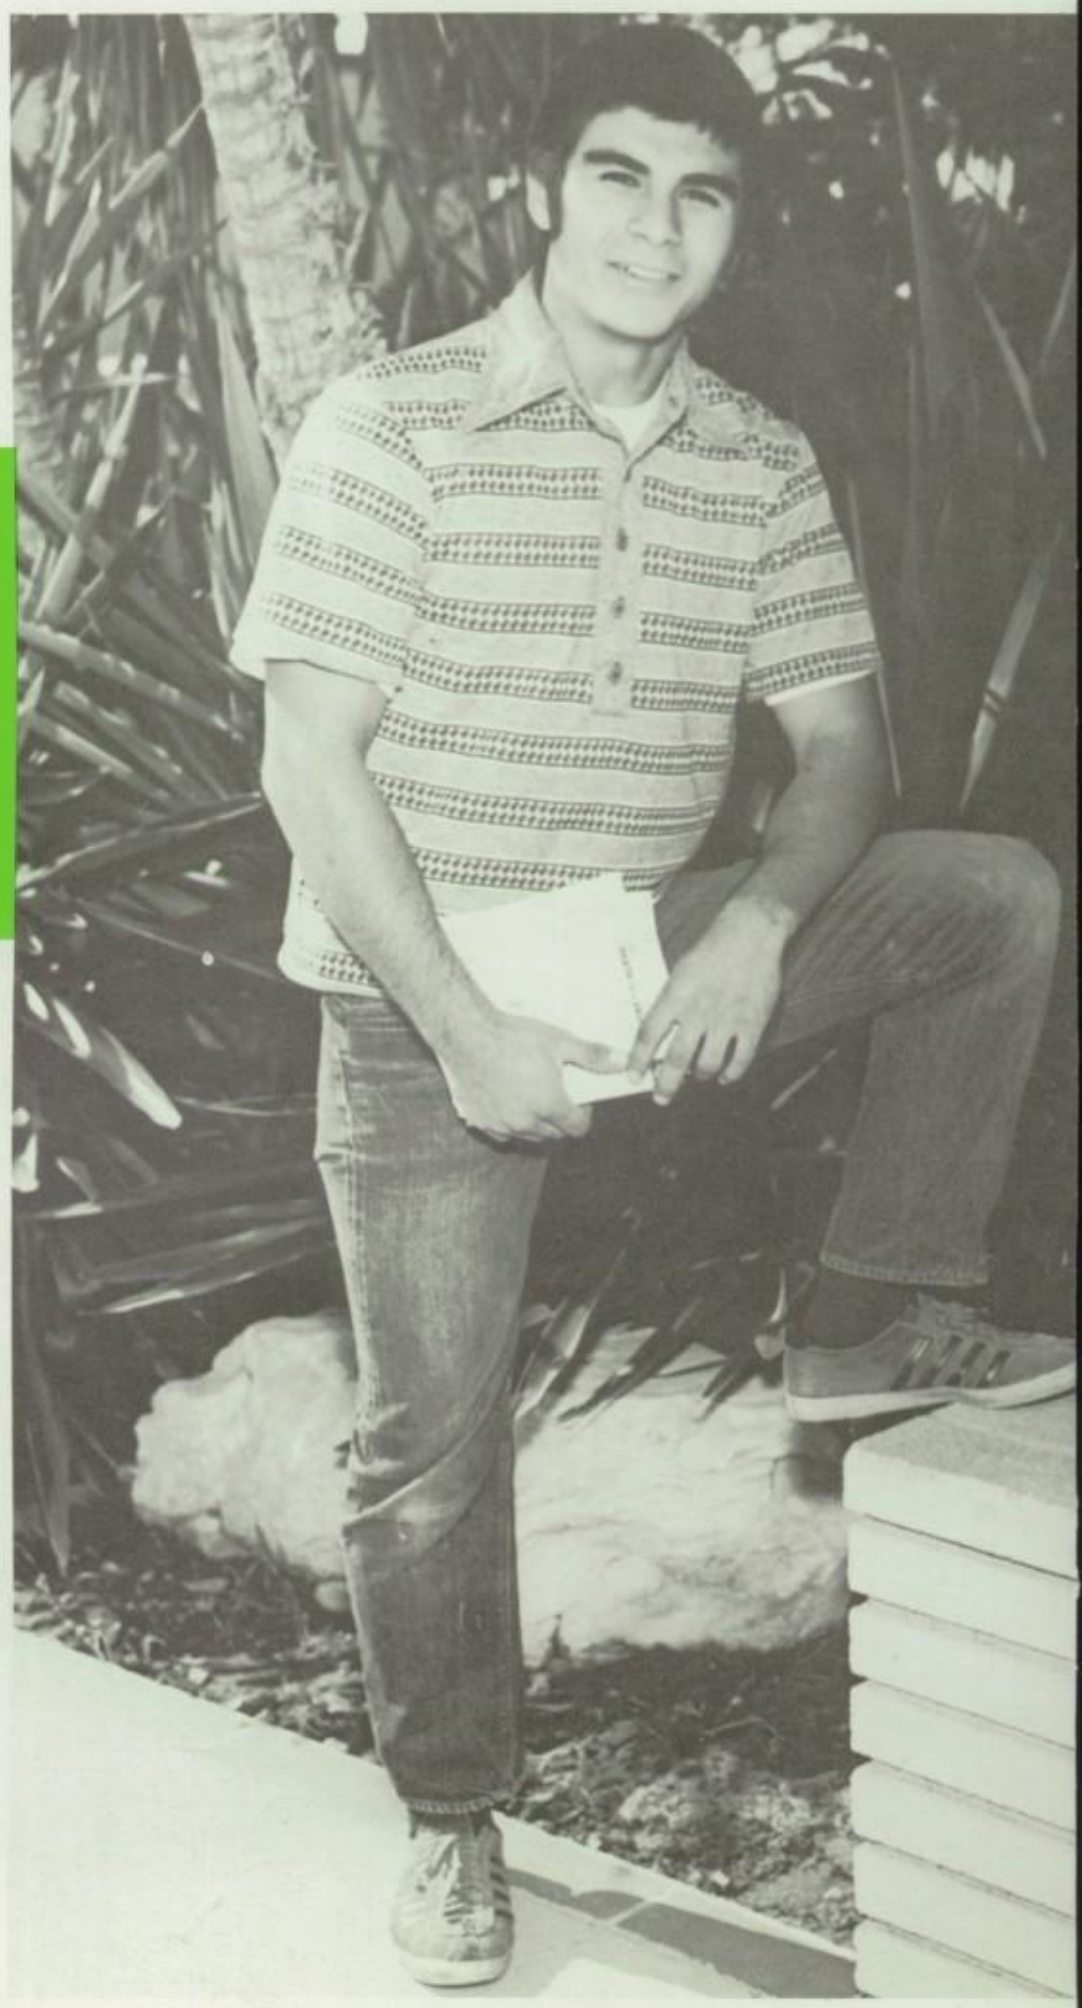
WHAT?

Don't be so surprised when you're told that the A.S.B. Officers have so much to do. Because of their interest in making the school a better place to be, they are always busy. The president presides over all the meetings of the Executive Commission. He has the power to call Student Congress meetings.

The Vice-President presides over the Senate, Elections Committee, and Student Congress.

Records of all Executive meetings and all correspondence is the job of the secretary.

Expressing his point of view, Hector Gonzales confers with Rose Compean while Mary Allen listens. Listening to her side of the matter, Hector Gonzales lets Rose Compean speak her peace. Contemplating on the problems surrounding him, Hector Gonzales spends time alone to find a solution.



Mr. William Payne—Principal

Miss Shirley Fishke confers with Mary Lou Donatelli or campus activities. Finance commissioner, Veronica Espinoza reports money matters to Mr. John Sherman. Recommending a program change to Dennis Powell is Mr. Tom Cunningham. Mr. William Payne dictates while his secretary, Mrs. Irene Burger busily takes notes.

ON TOP

The best education possible for all students is the responsibility Mr. William L. Payne always upholds in his office as principal of El Rancho. He has also shown a willingness to give of himself, so that areas of a student's life on campus could be improved.

The main function of those who work in the El Rancho Guidance Office is to help students with any problems that arise during the school year. It can be of a personal nature or involving the school.

The information center concerning all school functions and activities is the Activities Office. It coordinates all club and class fund raising events and handles many other items of student interest.

The Attendance Office is in charge of all attendance functions for El Rancho. This office also issues off-campus passes, along with processing new entries and withdrawals during the school year.

Teachers services are a part of the Curriculum Office. Its' other functions include course development, adoption of textbooks, and the making of the master schedule for the school.

The Counseling Office Is An Active

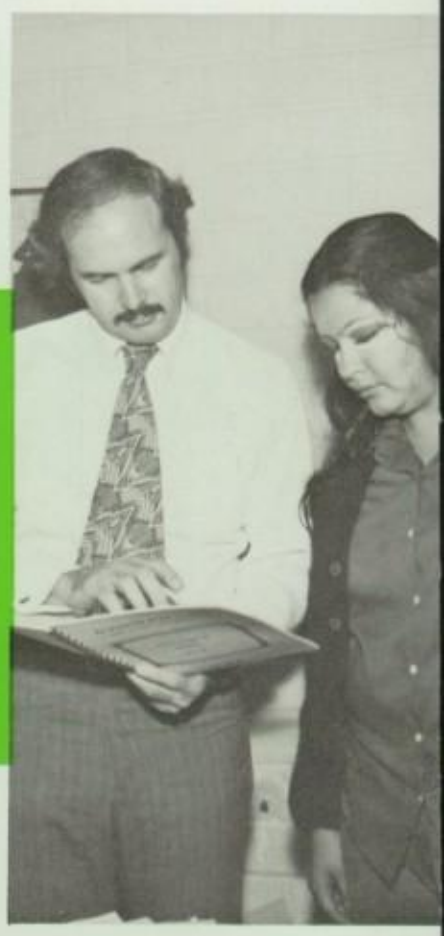
BEEHIVE

The welfare of your body is what the counselors are concerned and involved with. The welfare of your school's student body, that is. These counselors are constantly kept busy as they personally care for each student with a question or problem.

Every year many seniors face the problem of college planning. Counselors are glad to help a confused student plan for his years ahead in college. If a student also has great ability, the counselor can try to help him obtain a scholarship.

Curriculum difficulties, classroom problems, and personal troubles are handled to the best of their abilities, too. The goal of the counselors is to talk with the students and to solve as many of their problems as possible.

Also striving to help with student needs are El Rancho's Dean of Boys, Mr. Anthony Sandoval, and Dean of Girls, Mrs. Norma Barger. Mr. Duane Reidenbach, the Athletic Director, oversees the twelve different sports on campus and helps plan athletic events.



The possibility of a program change is discussed between Mr. Leon Getz and Rene Rivera. Mr. Howard Hogan shows Ramona Castenada courses she can take during the year. Mr. Duane Reidenbach answers Glen Garcia's questions concerning an athletic activity. Talking over a problem with Donald Brown is Mr. Anthony Sandoval. A classroom problem of Roy Ramirez's becomes Mr. Chuck Faught's concern. Involved in an important discussion are Mrs. Norma Barger and Yvonne Espinoza. Getting their classes in order are Gustavo and Olivia Garcia with the help of Miss Bertha Tostado. A friendly conversation takes place between Kathy Rios and Miss Betty Walthall. Mr. Eugene Jasper ponders over a student's problem. Asking advice from his counselor, Mrs. Dorothy Fischer, is George Espinoza.

Special Education
Centers on the Individual

PERSON

The individual and meeting his needs—that is the main objective of the Special Education Program. In cooperation with surrounding school districts and the Whittier Area Cooperative Special Education Program, El Rancho provides an educational program for students who need special help physically or academically. Students enrolled in this program may attend regular classes in other subject areas and also receive the assistance of teachers along with the use of resource rooms on campus.

The Marine R.O.T.C. is another special program at El Rancho with important goals. This program develops informed citizens, strengthens characters, insures the understanding of military service and promotes appreciation of motivation for careers in the United States Marine Corp.

Work Experience offers counseling for students interested in finding part-time jobs. El Rancho is lucky to have the opportunity to offer the students these jobs which range from clerical to custodial and maintenance.

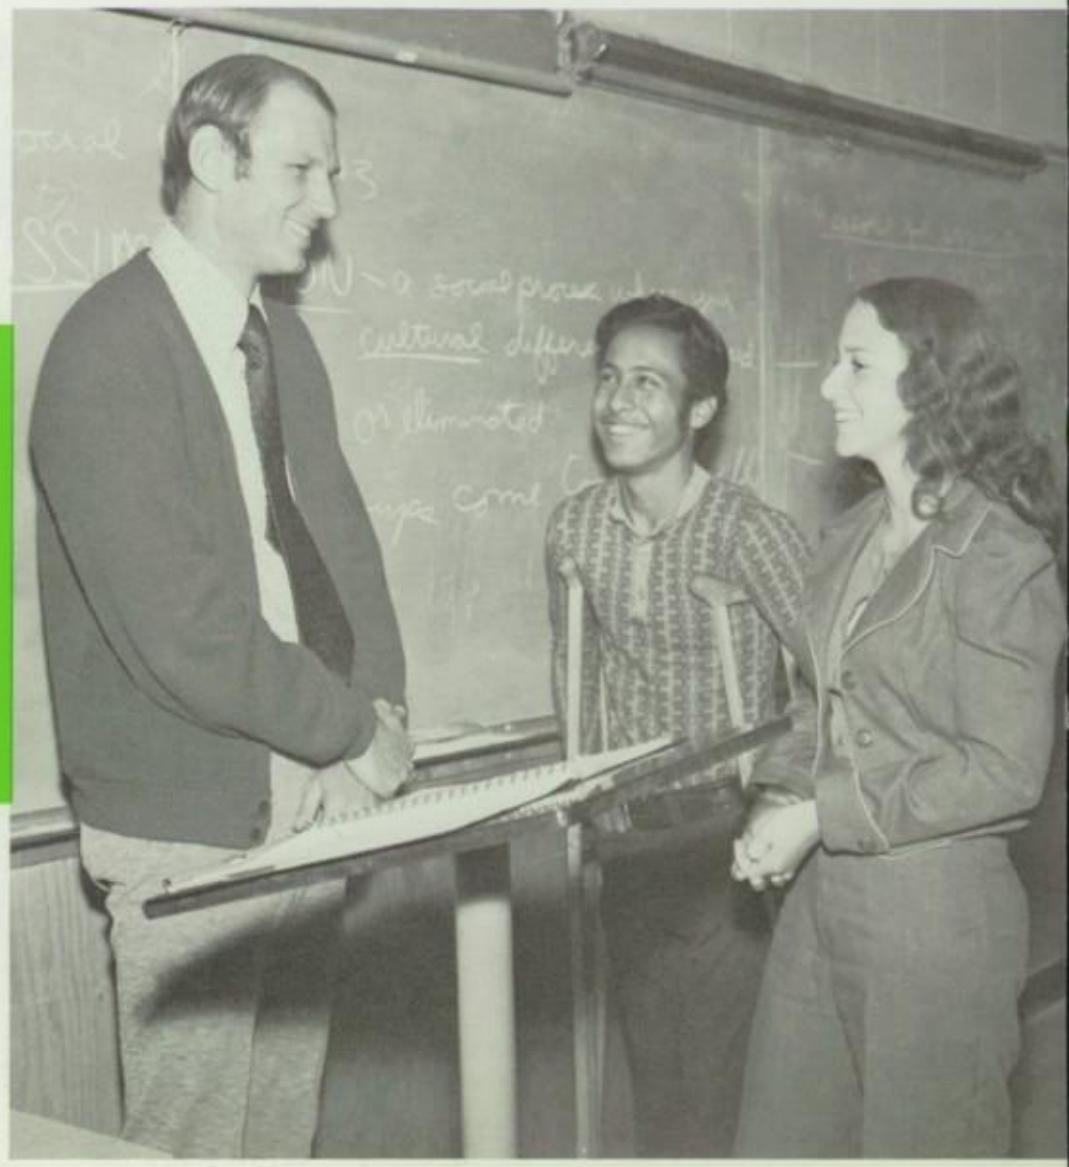
Newcomers on Campus, the

POLICE

Nobody got busted, however, by the newcomers. The two Los Angeles Police Department sheriff deputies were here as the teachers for the new class Crime, Law Enforcement and You. Besides getting a fine pair of instructors, students got the opportunity to see policemen in a different light and vice versus.

Something else that was new in the Social Studies Department was the way teachers emphasized the social science in the sophomore classes. Sophomores are required to take a semester of Introduction to Social Studies.



A bewildered student, Chris Reyna, is aided by Mr. John Rogers. Questioning Miss Judith Olstein about a psychology problem is Laura Patterson. An important city on a map is shown to Debbie Martinez by Mr. Ralph Kane. Miss Rita Fanning discusses a difficult assignment with Sylvia Robledo. If You Really Need

HELP !

Go to the Lab

If you need somebody, not just anybody for help in math, go to the Math Lab to get your feet back on the ground.

The lab was formed for students who need help in basic mathematical concepts. The class allows students to work at their own pace in the areas they need improvement.

While the mathematics department emphasize help in remedial math, it also meets the needs of every student. All the classes are kept as small as possible so students can receive more help and attention from their teachers. So whether a student takes math review or pre-calculus, the math department is doing a great job of providing him with an education that will give him a greater understanding of the math world.

An algebra equation proves to be too difficult for Dee Holman who needs Mrs. Ursula Osborne's help. Geometry theorems are explained to John DeLeon, Mary Macias, and Ed Ramirez by Mr. Leroy Miller. A Spanish assignment becomes easier for Susie Oliva with help from Mr. Ralph Myers. Homework in French is returned to Jewell Cunningham by Mrs. Edwina Townsend. Translating a complicated Spanish passage for David Lazalde is Mrs. Janice Salazar. Constructing a puzzle for Julie Aguilar and Mary Vinet is Mr. Steve Endemano.

Put Some Zest in Your Life, Get a Little

ACCENT

"Buon giorno", is what students who take El Rancho's new language class can greet their friends with. Italian was the class offered for the first time to interested students. The other language choices were Spanish, German and French.

The knowledge of any of these foreign languages is helpful to a person in getting a job or understanding different cultures. Though many students at El Rancho already speak Spanish the Foreign Language Department stressed the class Spanish for the Native Speaker. Instead of going into a Spanish 1 class, the student enters this class which enables him to learn to read and write the language better. This emphasis on grammar made the class a more challenging experience for the student.

When It Needs Fixing, Put It on the

RACK

The hoist, the steam cleaner, and the pit are terms students use in the auto shop. When they say, "the rack," they are refering to the auto shop's single post hoist used to raise cars for work underneath. Here master mechanics are born and ulcers created. Although cut fingers and burned hands may occur, the end reward is worth it. Many ex-students have gone on to high paying jobs right after high school. This is due to the fine instructors El Rancho has in the Industrial Arts Department.

Nowadays, the auto industry is booming and there is a great need for well-trained mechanics. By turning out their excellent mechanics, El Rancho is helping to keep up with this growing demand.

A Time of the Day to

GET LOOSE

To get away from it all or at least a normal classroom into a less rigid atmosphere is what a physical education class enables a student to do. There are many different sports offered that provide enjoyment for students.

For instance, scuba diving was offered again in the boys' gym classes. For the girls, archery was an interesting and challenging sport.

While all of the sports give students a chance to relax and have fun, calisthenics literally loosens them up. At El Rancho, the formal calisthenics approach was changed in favor of "loosening up" activities in the form of streatching, followed by strength and endurance developing assignments.

Giving a little pep talk to Don Holmes is Mr. Mike Sweeney. Robert Saiz is told by Mr. Ross Bauer the proper dribbling technique. Counting out the number of push-ups is Mr. Don Peterson. Leading the class in jumping-jacks is Mrs. Dorothy DeLane. The proper grip on the tennis racket is shown to Nadine Navarrete by Miss Julie Ellis.

Are You Into the Business

BOOM ?

Need a job? There are many well paying jobs in the business world. El Rancho prepares students entering this complex world of business by emphasizing and encouraging a high level of proficiency in the skills needed.

In addition to preparing students for jobs after graduation the business courses teach important skills needed for college.

To help students increase their education and knowledge of available business careers, El Rancho provides a variety of effective activities. They are the Future Business Leaders of America Club, the Future Secretaries Club, and the Christmas sales class.

Correcting an error in spacing for her student is Miss Ellen Kelley. Chris Rodriquez erases a punctuation error under the watchful eye of Mr. Orin Bliss. The "Fun Arts" Show You How to

DO IT

Bits and pieces of many different things can be learned in the fine arts department. Music, Art, Drama and Photography are the areas covered in this department. Students have the opportunity to work in a more relaxed atmosphere using their imagination to create such things as a pot in ceramics, or an unusual picture in photography.

Drama productions are put on each year in which students can take part as the actors, the stage crew, or maybe even the director.

Wherever the students interests lie, any class in the Fine Arts Department will give them pride in their achievements.

in Home Economics

Money made its way into the department this year. Two new courses were offered to El Rancho students entitled Money Management and Financial Resources. These classes were designed to help students learn to budget and economize their money.

The department stressed preparation for after graduation by adding classes in vocational training. For example, students who were interested in teaching pre-school were able to enroll in the pre-school aid program where they had the opportunity to do actual work at elementary schools in the district. Nursing and cosmotology are courses also on the curriculum.

Authors,

PEOPLE

Who Leave a Heritage in Words.

Contrary to popular belief, English can be an interesting course to take here at El Rancho. Many classes are offered that deal with the other side of English; not the grammar, but the people who have left their thoughts and experiences for us to read.

Novel, Poetry and Short Stories, and Literature Appreciation are a few of the courses in the department that deal with this more intriguing aspect of English.

Finding a definition for Robert Ortiz is Mrs. Joan MacNeill. Helping Doreen Fleltcher understand a difficult passage is Mr. Robert Hayes. Receiving his corrected test from Miss Marie Borchardt is a relieved David Salazar. Taking notes from Mr. Gary Barton are students in a Humanities seminar. Individuals Behind the

Unlimited hours are spent by members of the Board of Education to fulfill the needs of every student in the district. Elected by the voters of Pico Rivera, these qualified people govern the educational systems from kindergarten through high school.

It is the duty of the cabinet to carry out the policies created by the Board. Also among their duties is a constant search for qualified teachers to fill El Rancho district staffs.

The El Rancho Faculty Club raises money so some years it can give a scholarship to a student. To help El Rancho in any way it can, financially and also morale-wise, the Don Booster Club holds many fund raising activities.

Keeping the Wheels in

SMOOTH

Running Order

Havoc and confusion would be the results at El Rancho if the secretaries, bus drivers, custodians, bookstore or cafeteria workers quit their jobs. Imagine the disorder there would be if students could not get their textbooks at the bookstore or food at lunchtime.

The secretaries duties vary according to the many offices they inhabit. Bus drivers transport students living far away to and from school. El Rancho is kept neat by the hard working custodians. But whatever their jobs, they all play an important part in the smooth efficiency of El Rancho.

It Was a Year of

UNITY

for the Junior Class

This year's Juniors will never be forgotton for their enthusiasm and spirit in school activities. But mostly they will be remembered for working together to achieve the highest recognition a class could get which is CLASS OF THE YEAR.

Whether in victory or defeat we never felt that we lost because victory is in the pride of the class that unites towards their goals. As this year ends I would not only like to thank our advisors, Mr. Leslie Graves and Mrs. Jean Griffin, but also; the school faculty for giving us the guidance and opportunities to make our Senior year better.

An experience like this teaches not only the cabinet, but also all young people how to face the responsibilities placed upon us as we enter our Senior year and our young adult lives.

It has been an honor to serve as Junior Class President. My thanks to my cabinet which made our achievements possible, and a special thanks to my fellow students: Class of '75.

Joselito,

I hope I don't have to see you till next year. (eh) No really its been fun this year, and I really enjoyed hearing you cap on Ross and Steve. Although I could have done without having Mike in our class. Hope you have lots of fun this summer, and try not to get burned to often by flying French Fries. See YOU next year. Stay Wierd

STEP UP

As we end this year I think back on all the excitement I had as serving as Sophomore Class President. This has been a privilege as well as an experience for me.

Our success as a class was made possible through the cooperation of the students and with the help of our fine advisors. Coming here from "on top" at junior high, to be the bottom class of El Rancho was a big change for us, but our class met this challenge and was sucessful in overcoming it.

I think we, as a class, the class of '76, have the making for one of the finest classes ever from El Rancho. So as we STEP UP the ladder, we leave behind a year we will always remember.

RALPH GONZALEZ
Sophomore President

Sophomore class advisor Mr. Ralph Myers suggests future class activities with Terry Hargrove, Jodi Houston, Rosalie Ramirez, Frank Mendoza, Diane Baca and Ralph Gonzales. Discussing sophomore activities for the year are Pam Garcia, Terry Hargrove, and Ralph Gonzales.

School activities is a part of all the commissions, not just the Activities Commission. Finance is responsible for all ticket sales for sporting events and other school sponsored activities. This commission is also partly responsible for planning the budget for the coming year.

Any activity needs good publicity to be successful. The Publicity Commission handles this part of the work by preparing posters and signs for plays, dances, or sports events.

All academically inclined activities are associated with the Academic Affairs Commission. It organizes field trips to college campuses and handles the various scholarships available to graduating students.

Keeping records pertaining to boy's athletics and promoting athletic activities is the concern of the Boy's Athletic Commission. It's members also have fund-raising events.

SPICE

Up Your Life.

Mexican American students are encouraged in the Brown Union to pursue higher education. This club is open to all El Rancho students. Its purpose is also to help the general public gain an understanding and appreciation of Chicanos and their heritage.

Boys who lettered varsity in any of El Rancho's sports make up the Varsity Club. They are distinguished by their grey jackets which they order through this club.

Girls' League is a very active organization at El Rancho. Events which are of interest to the girls and help fulfill the League's philosophy of service to others and of promoting high ideals are planned. These events include the Girls League Formal Dance, Coed Capers, and the Mother-Daughter Dessert.

Students interested in the mind-stimulating activity, chess, join the Chess Club. Besides competition among students at El Rancho, tournaments are held at other schools.

FRENZY

of enthusiasm.

Concern for the man and his environment is shown by students in S.A.P., Students Against Pollution. They hold fund-raising events and activities such as paper drives.

Better relations between the countries of the world is the American Field Service's main purpose. The club's fund-raising activities help send students to foreign countries.

Students interested in becoming secretaries or majoring in business increase their secretarial knowledge in the club, Future Secretaries of America. It is sponsored by the National Secretaries of America, a group of professional secretaries.

The Elections Committee, as you may guess, handles all elections. The members hand out ballots and count the votes.

Creative Dimensions puts out the magazine with the same name. The Creative Dimensions Magazine is a collection of poetry, stories, artwork, and photographs from El Rancho students.

The lighting and sound equipment in many of El Rancho's productions are handled by the Audio Visual Club. These productions include pep rallies and Coed Capers.

New Rise is new on campus. It's purpose is to bring about an environmental change at El Rancho and gain better communication between students.

The Future Business of America is for students interested in or studying business. They take field trips to large companies and industries during the year.

But Involved

Interest in mathematics is promoted in the Math Club. It holds mind-boggling quizzes and fun problems for students.

Those students interested in journalism and writing are in the Otis Chandler Chapter of Quill and Scroll. They sell football programs and hold a banquet at the end of the year.

The Health Careers Club members sometimes serve as volunteer workers in hospitals. They visit a hospital each semester. They also perform individual services to senior citizens and others in need.

Contrary to what most believe, the Library Club is not a reading club. It is a service-social group whose members raise money through various projects to buy albums, books, or special equipment for the library.

-How Does That Hit You?

A group of people working toward one goal is what Annual Staff is all about. Together they work to compile a record of the years events in three hundred pages.

The staff was led by Editor-in-Chief John Lewallen and associate editors Patti Tani and Melody Gillian who kept the group working.

Deadline after deadline the staff continued to write copy and captions, think up heads, draw up layouts, and organize pages until the annual was finally put to bed.

Mrs. Guila Hales, a veteran of many years, ruled the staff with an iron fist and was known for always using her little voice.

And Suddenly There Was a Cry of

OOF!

El Rodeo completed its twenty second volume despite certain problems that arose during the year.

First was a money problem which came about because of a cut in the budget. This was solved by selling tons of ads.

Another thing that happened was the loss of the Newstaff darkroom which was turned into a storage room. This forced them to share with the school. But all in all the year was good.

The staff was led by Editor-in-Chief Ron Strand who negotiated with administratiors for more money and made many improvements on the staff.

Advisor Rich Brown (who originated the saying Oof!) stayed after school daily to help with the paper and taxied students all over town.

To Be a Doer Takes

HOURS

—Months—Even Years of Work.

To be a league contender our coaches ran the team through hours of hard training and practice.

Starting his fifth year of coaching at the Ranch, Head Coach Marty Mc Whinney had the determination to make the team a winner.

Assistant Coach Don Peterson was in command of the offensive backfield again this year.

Handling the wide receivers and defensive secondary was Coach Steve Hartman. The defensive tackles, middle guards, and centers were Coach John Brennan's responsibilities.

Moving up from their sophomore coaching spots were Coach Gary Taylor and Coach Mike Sweeney. Coach Taylor was in charge of the offensive tackles and linebackers while Coach Sweeney handled the guards, defensive ends, and the special teams.

Giving instructions to Fran Alberts and Louie Arciniega is Coach Don Peterson. Yelling at the offensive line is Coach Gary Taylor. Head Coach Marty McWhinney argues with officials over a call. Coach Steve Hartman inquires where a player stepped out of bounds. Displeased with the referee's call is Coach Mike Sweeney. Coach John Brennen talks to Don Holmes during a time out.

In a Game That Takes

GUTS

the Dons Competed Fiercely

A strong defense and a capable offense led the Dons in another season of close contests.

In the first game of the year the Dons elected to go for the win and were nipped by Millikan 21-20 as the two-point conversion failed.

El Rancho's next opponant was Warren. The Bears who were downed 30-3 by The Ranch last year, came out fast this year and held on to win 14-12.

The Dons traveled to Long Beach next and tied the Wilson Bruins 13-13 in an exciting game.

In their last pre-league game the Dons were crushed by a strong Lakewood team 35-7.

A 21-14 victory over Alhambra got the league season started right.

After a 20-14 loss to Muir, El Rancho faced Arcadia in the homecoming contest contest and won 20-7 setting up a showdown for first place with Pasadena.

The Bulldogs ended ER's playoff chances by downing the Dons 14-9.

The Ranch ended the season on a wet note as they lost to Montebello 7-0 in the rain.

A Ram is tackled by Bobby Garcia as Gene Mendez and Hector Gonzalez move in to assist. Gabe Ronquillo eludes a Warren tackler. Running through the Wilson line is Tony Licitra. Corner-back Joe Arton stops a Lakewood ball carrier. On an important play Mike Clark and Ben Lopez sack Alhambra's quarterback. A hard hit is delivered by Gene Mendez to a Muir halfback. Gang tackling an Arcadia runner is Tony Aguirre, Fran Alberts and Graco Farrell as Don Holmes moves in to help. Fran Alberts upends an Arcadia runner. Forcing a Pasadena ball carrier out of bounds is Fran Alberts.

To Win Takes a Lot of

SWEAT

The junior varsity football team fought its way to second place in the Pacific League.

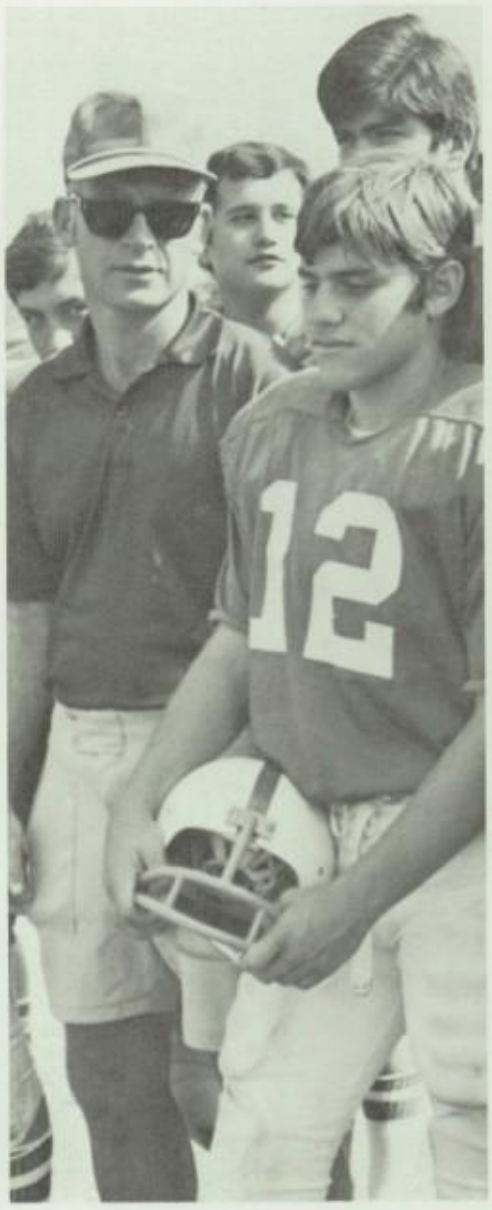
Leading the JV gridders again this year was Head Coach Don Peterson who was assisted by Coaches John Brennen, Gary Taylor, and Mike Sweeney.

After a fair pre-season and 27-7 loss in their league opener to Alhambra, the Dons bore down and did not lose another game giving them a 3-1-3 league record.

A large factor in their loss to Alhambra was that several key players were sidelined with pre-season injuries. However, many of them returned to help the JVs gain second by beating Muir, Arcadia, and Montebello and tying Pasadena.

Steve Pulliam and Ron Farrell were standouts on the JV squad as were Ron Rojas and Jeff Kageno.

Next year looks bright for the Dons as both sophomores teams finished in first place.



Coach Mike Sweeney talks to Steve Pulliam before the game. Watching the action from the sidelines is Coach Gary Taylor. Jeff Kageno breaks away for a big yardage against Pasadena. Jeff Kageno scores a touchdown in league action. Steve Sanchez stops an opposing ball carrier. Stopping a running back is Bob Garcia as Ron Farrell moves in to assist. Both Sophomore Teams Took League Titles

AGAIN

Led by Head Coach Steve Endemano and Assistants Steve Bresnahan and Mike Forge, the Bee football team retained its Pacific League Title with a 5-0-0 record.

A strong defensive unit led the squad allowing only 28 points in league and having three shutouts over Alhambra, 30-0, Muir, 27-0, and in the title clincher over Montebello, 43-0.

Gilbert Reyna, Bob Cordery, and Rick Armenta were standouts for the Bees.

The Cee football team also retain the Pacific League title as they were co-champs with Montebello. The League Championship came down to the last game with El Rancho playing at Montebello. The game was a tough defensive struggle and ended in a 0-0 tie resulting in co-champs. Head Coach Ross Bauer ably guided the cees with the help of Bill Kleine and Ed Phillips.

The Battle for First Was a Close

RACE

Led by Captains Ralph Thomsen and Lee Dietz the water poloists were in the league race most of the year.

The season started right with a 14-10 win over Pioneer. A close game with Whittier was next with the Dons coming up one point short in double overtime, 9-8.

The Dons toughest opponent this year was the Muir Mustangs who downed the Ranch twice in very close games, 15-13, and 11-9.

Winning form was resumed as they swamped Arcadia 12-7 and then lost to them 10-8.

Pasadena was another tough opponent as the Dons battled them into double overtime before losing 18-12 in the first game and losing 21-10 in the second.

20-9 and 17-3 breezes over Montebello were the biggest margins of victory for the Dons this year.

Starting with a 29-5 victory over Pioneer the JV's never quite put it together until the second half of the season when they beat Muir 4-1. Standouts for the JVs were Jim Bojorquez, Kirk Gramer, and Scott Keuthen.

An inexperienced Sophomore team improved weekly and by the end of the season could hold their own in league play. Larry Scarborough showed his ability by leading the sophomores in scoring.

Craig Arnhart was a consistent winner in the fifty yard freestyle, while Menchaca and his younger brother Abel, were strong in the butterfly races.

Joe Bojorquez, another junior on the squad, was strong in his event, the 100 yard freestyle.

Coach Doug Anderson was disappointed about this year's showing, but optimistic about next year as eight lettermen will be returning, plus adequate sophomores to strengthen the team.

Kicking their way to second place in the Pacific League the varisty soccer team had a fine season in only their second year of existance.

Under the direction of Coach Rudy Hanley, the Dons finished with a 6-3-2 league record.

Their biggest win of the year was a 3-2 overtime victory over Arcadia for sole possesion of second place. Earlier in the season the Dons tied Arcadia 1-1.

Against the league champions Montebello the Dons were beaten in close games of 2-0 and a 1-0 heartbreaker.

The team was led by three seniors Mike Zavaleta, Mike Castro, and Armando Ayala and junior Sal Hernandez who led in scoring. The team also had four sophomores with Claudio Medina and Ken Hubbart being named as the Most Improved Players. Mike Zavaleta was named the team's Most Valuable Player.

Disgust is shown on Mr. Rudy Hanley's face as his soccer team ties Arcadia 1-1. Claudio Medina attempts to pass over his head to teammate Mike Castro. A truly dynamic season was enjoyed by the Basketball team this year as the Dons had their best season ever with a 23-6 record.

They also took the consolation trophy at the Arroyo Tournament, and the third place trophy at the La Habra Tournament and the Championship trophy at the Pioneer Christmas Tournament.

In the league, the Dons were successful as they downed fifth ranked Pasadena after dropping a game to Alhambra. The win put the Dons in a tie for first and set the scene for a televised rematch which was won by Pasadena 84-67. However the Dons took second place in the league with an 8-2 record and a advanced to the CIF playoffs.

Captain Fran Alberts and Lawrence Velasquez led the team on the court with their brilliant play. All-league guard Kenny Parra displayed fine quickness by leading the team in steals.

Graco Farrell and George Ellington were amongst the team leaders in rebounds as was Ron Farrell.

Others contributing heavily to the Dons success were Jack Semler, Dave Mires, and Ted Valenciana.

STREAK

Advancing to the CIF playoffs for the first time in six years, the El Rancho Don Basketball team had a great victory in the first round against Troy.

The Dons, who finished second in league play and were rated as high as ninth in the CIF polls, traveled to Troy High for an exciting game.

At Troy, the Dons downed the leading scorer in CIF history Mark Wulfemeyer, 88-79. Wulfemeyer who averaged 38.6 points per-game was held to 33 points by Ken Parra.

Lawrence Velasquez led the Dons with a 29 point effort. Others in double figures for the Ranch were Fran Alberts (15), Parra (14), Jack Semler (11), and George Ellington (10). The win advanced the Dons into the second round where they faced top seeded Palos Verdes.

The Sea Kings were led by 6' 10" center Bill Lainbeer who poured in 31 points as the Dons bowed to the Sea Kings 72-61.

Leading the Dons again was Velasquez who scored 20 points in a losing cause. Graco Farrell scored 14 points while Semler added 11.

The loss ended the Ranch's season giving them a 23-6 record which is the best ever for an El Rancho squad.

The JVs had a fair season winning half of their games.

Led by first year Coach Steve Endemano, the Dons took third place at the Burroughs JV Christmas Tournament by downing Burbank 54-51 to take home a trophy. Mark Edgemon was named to the all-tournament team for his performances of 16 and 19 points.

On the league season the JVs were met with tough contest and lost a couple of close of games giving them a 3-7 league record.

Marshall Clayton led the Dons in scoring with 206 points in twenty-two games for a 16.7 average.

The three sophomores teams were also in the battle for the league title with the Bees only two loses in League came at the hands of a talented Pasadena squad who beat the Dons by two points in pre-season and by five and twenty points during league to take the Championship.

Rugged action and tough matches faced the Dons as they struggled in the Pacific League.

Led by Coaches John Brennan, Mike Forge, and Rich Pastrano, the Dons opened the preseason with a 40-21 win over La Serna and ended up 3-3 in pre-season with other wins against Long Beach Poly, and Long Beach Wilson.

However, in the league season the Dons did not fair as well getting shut-out with an 0-5 record.

In the league finals held at El Rancho the Dons placed in 7 of the 13 weight classification. Taking medals for fourth were Paul Vasquez, 98 lb. class; Glen Enoki, 106 lb. class; Glenn Garcia, 178 lb. class; and Louie Espinoza, Hwt. class; Paul Whitehead 148 lb. class; and taking first was Steve Saucedo at the 123 lb. class.

CIF bound again, the El Rancho Dons gymnists battled Arroyo for the league crown.

Under the guidance of 1967's CIF All-Around performance winner, Bob Turner, the Dons were led by captains Albert Garcia, and Rick Espino.

Garcia, a three year letterman, took second in CIF on the rings last year.

Another of El Rancho's bright spots is All-Around performer Danny Montoya. As the All-Around performer, Montoya had to compete in six different events.

Others doing fine jobs in gymnastics were: Joe Barrera (High bars), Richard Aguilar (side horse), Espino (side horse), Garcia (parallel bars), and Phil Hernandez (long horse).

Nex year's outlook is excellent as this year's team is comprised of many juniors and sophomores.

Finishing second in the senior division and third in the junior division of the Calhi Invitational and downing Muir 19-44 were highlights for the harriers this year.

The Pacific League, which has some of the best cross country teams proved to be tough competition for the Ranch runners, who could manage only wins in league.

Mike Zavaleta led the squad with a 10:12 clocking, which is the fifth best by an El Rancho runner on the ER course. Jim Guzman and Bill Mendoza also ran well with bests at 10:22 and 10:23, respectively.

Others lettering varsity were: Don Riojas, Rene Orona, Larry Alvarado, Leonard Lopez, Warren Van Wie, Sabino Alvarez, and Tony Karam.

Victorious in the first three preseason meets, the varsity spikers were met by tough competition in the meets with Arcadia, Muir and Pasadena.

In the first meet of the year the Ranch downed Whittier easily 79-38. Pacing the Dons to the win were Rudy Cueto, first in 100 and 220; Manuel Ramos, first in 120 high hurdles and 180 low hurdles; and Jeff Jerome, first in 880 and second in 440.

The tracksters next met La Mirada where they downed them 69-49. Gil Pesqueira, running his first meet of the year, won the 440 and anchored the 440 relay to victory.

In their final preseason meet the Dons trounced St. Paul 72-46.

Due to several injuries the Ranch was not as strong as it was expected to be in the league. During league the Ranch was led by Pesquieira who last year made it to the CIF semi-finals in the 220 after taking second in the league finals.

The JV's and Sophomores also had fine teams and should supply next year's varsity with a talent filled squad.

Breaking the tape at the end of the 440 yard relay is Rudy Cueto. Track coaches Rick Guerrero, Dave Lawson, Gary Taylor, Duane Reidenbach, and Bill Kleine. Junior Tony Licitra clears 11' in the Pole vault.

GO!

Always try hard to win the meet.

ROUGH

Putting their way around the course, the varsity golfers won their first two meets over Santa Fe and Pioneer.

Under the direction of Coach Joe Osterman, the Dons were led by MVP Chris Kline and junior Roman Chapa. Carlos Bernal and Rey Avalos also did fine jobs on the airways.

During the league season the Dons received added help from captain John Sahagian, Gary Rudometkin and Steve Holiman in battling Arcadia for league honors, Mike Nunez also gave the team added strength on the greens.

Next year looks bright for the duffers as many juniors and sophomores turned out for golf this year. Sophomores Manuel Veiga and Andy Villagas were highlighters for the underclassmen.

LOVE

Smashing forehands and blistering backhands describe the varsity netman as they had one of their best teams ever.

Led by southpaw Fred "Kip" Peet the Dons fought their way through the Pacific League.

Peet set a new school record for points scored in tennis breaking the old one he set last year.

Also returning from last year's squad were Doug Westhoff and Mark Mata.

Second man on the squad was junior Steve Sanchez who combined with Peet to create an invincible one-two punch. Mike Humes and Tom Rankin, and Joe Rodriguez were exceptional on the courts. All three of them will be returning to next year's squad.

The JV's had a good turn out this year and should bolster a strong team in the future.

Drastic changes were made this year, for the El Rancho Baseball team.

Besides getting new coaches they also improved the field condition and purchased a new pitching machine.

The varsity under the direction of Coach Ross Bauer was led by team captain George Rodriguez who sparked with both the bat and the glove. Rick Skare, Paul Benavidez and Steve Pulliam also contributed greatly to the Dons' success.

The pitching chores were handled by Tom Marchain, Tom Gomez, Anthony Hernandez, and Eddie Beach. Their battery mates were juniors Jess Baez and Tom Lacher.

Under the coaching of Steve Bresnahan the JVs had a successful season.

Frank Mendoza was there biggest offensive asset as hit several home runs on the season.

Pitching was the JVs strongest point as their staff was one of the strongest staffs in the league. Barry Branum, Ernie Casillas, Pete Janke, and Ron Rojas pitched the JVs to a good record.

The Sophomore team was under the direction of Coach Mike Sweeney and after going undefeated in the pre-season, battled for the league crown.

Steve Hinojos, George Butler, and Mondo Sanchez were stand outs on the diamond.

The pitching machine which the baseball teams worked to earn money for proved to be a big asset. It has a speed adjustment to throw between 50-100 m.p.h. plus throws curves, screwballs, and knuckle balls besides just fast.

Second baseman Rick Skare scoops up a slow roller. On a close play at third Dan Cano tags out the sliding runner. George Rodriguez battles the sun to catch a fly. Showing how to operate the new pitching machine is Coach Ross Bauer. The new pitching machine in action. Out at the plate is Steve Pulliam.

Bill Schaffler spears a high throw at first. Hurrying his throw is shortstop Ron Enriquez. A fastball is thrown by Tom Gomez. Tom Marchain snaps off a curve ball. Connecting with power is captain George Rodriguez.

FURRY

Furry little balls were hit by thirty girls who played tennis in the new Girls' Athletic program which was installed by the California Interscholastic Federation.

Tennis which is the first sport offered for the girls had a good turn out in only its second year. The sport was well-liked by the girls and they faired well in league competition while displaying good sportsmanship.

Vollying during practice are Patty Roth and Dina Brusca. Cindy Nakashima and Yvette Bojorquez challenge Barbara Orosco and Terry Lopez to a doubles match. Smashing a serve is senior Debbie Colbert. Up on the net is Lori Vrooman. Linda Gomez displays her forehand. Miss Rose Reets shows Susie Tafoya how it's done.

Showing real team cooperation, this years G.A.A. volleyball team had a very successful season. They perfected their skIls by working hard both in the mornings and after school. They not only achieved good sportsmanship, but they also gained satisfaction and pride from working together as a team.

Only a third year sport gymnastics has turned out to be very successfal9The after school turn out was very good even though it wasn't a competition sport. Gymnastics keeps you physically fit while stressing flexibility, blance, and coordination.

Under the capable and experienced coaching of Miss Julie Ellis, this years softball team had a tremendous season. After patting in many long hours of practice, the girls proved time and time again to be tough competition for their Whittier League opponents.

and the girls sprung into action throughout the year.

Though not competing with other schools basketball was a very active sport. The girls perfected their skills after many hours of practice. The swim team was in competition with other high schools. The sports was very enjoyable for the girls and helped to keep them physically fit.

With the help of Miss Rose Reets, G.A.A. stands out as a very busy group. Fund raisers included P-nuttle and candle sales to provide uniforms, sweatshirts and equipment for the girls. G.A.A. inspires girls to do their best and work together as a team.

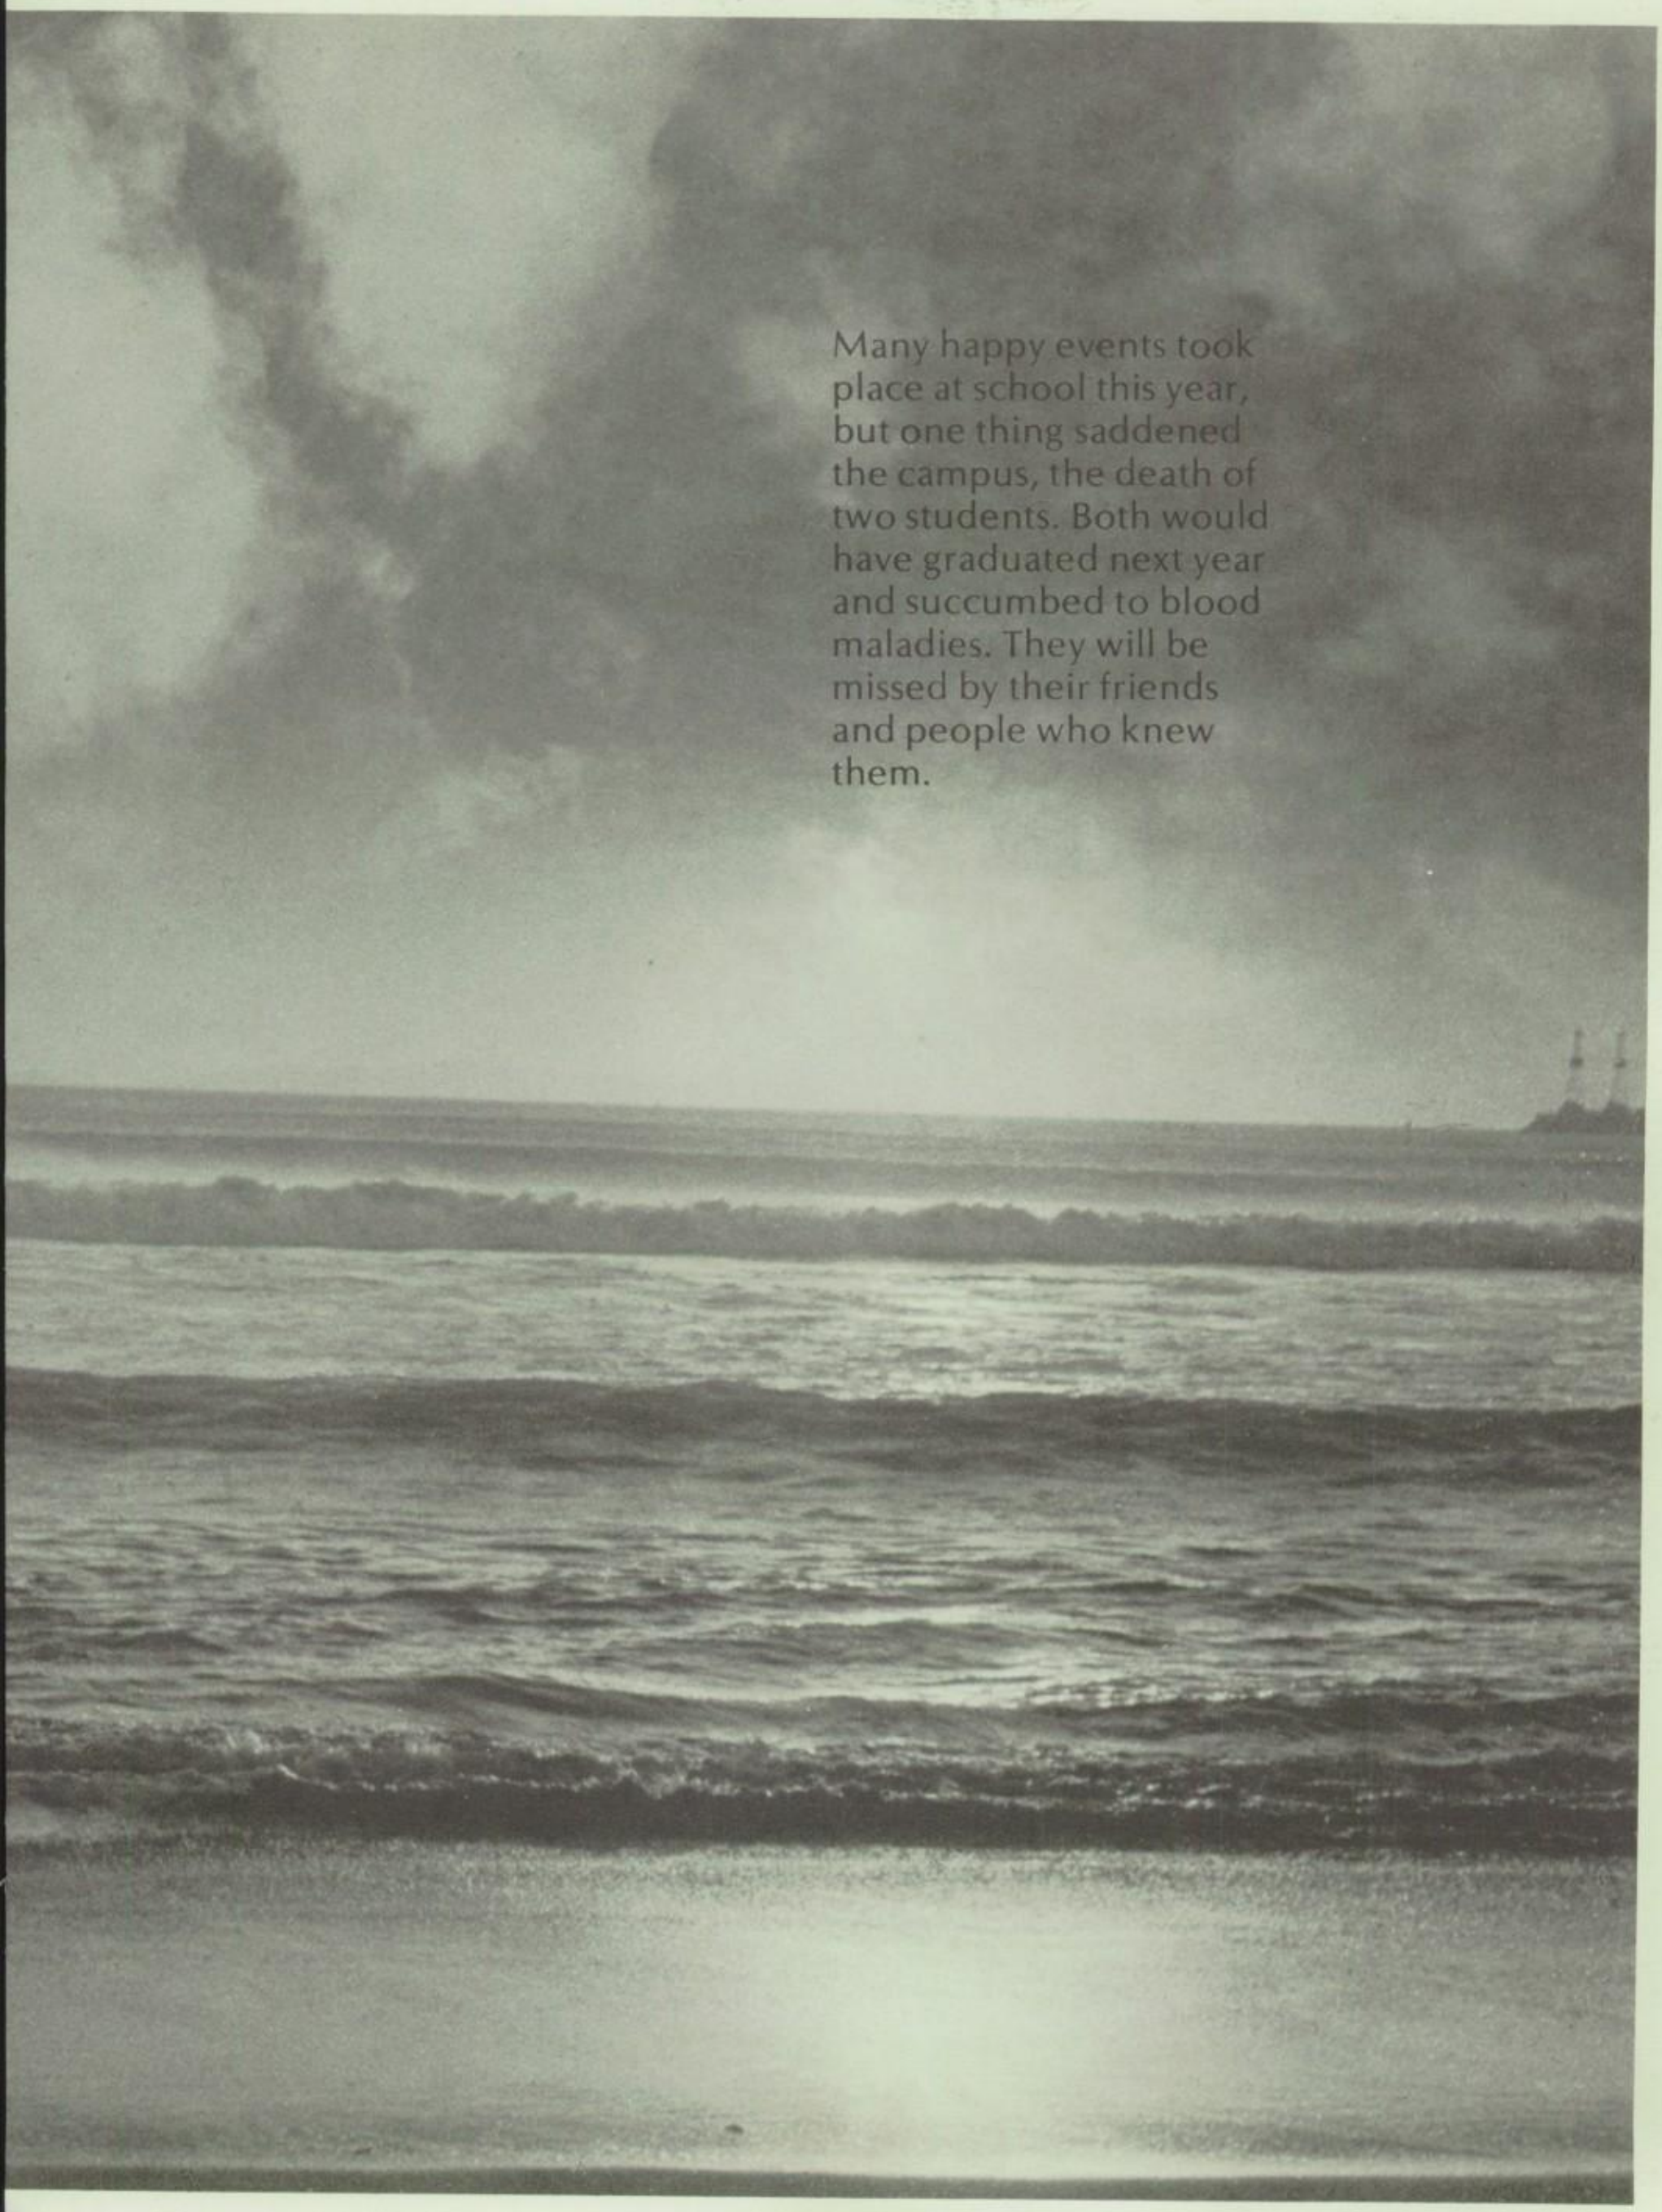
Gee, which way is Montebello? the library? I mean: That way < or Edward Whites? Do you still like oranges? Well, it was really, really fun knowing you these years. I don't think I'll see any of your classes next year but, probably see you in the halls. Well, good-bye... friends (Hope ... unless I throw another orange at you)

Barbara (Ducky

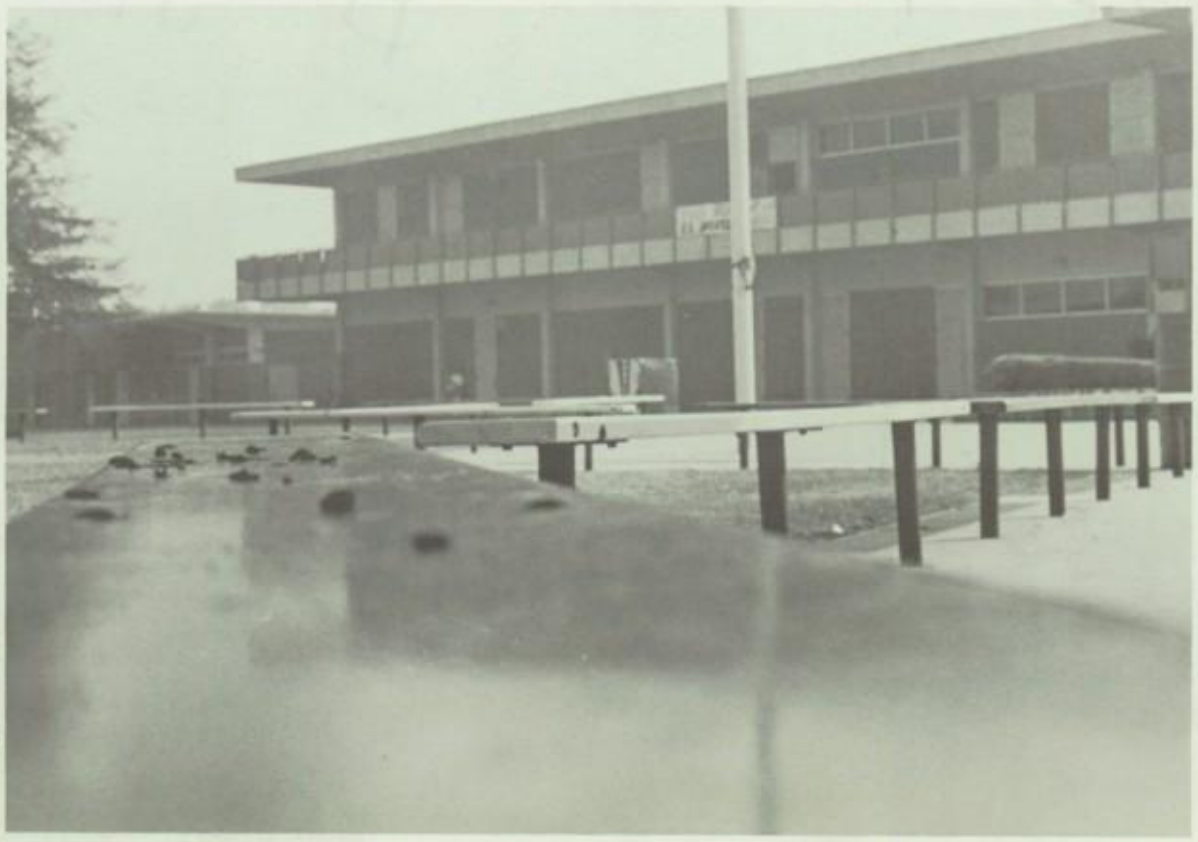


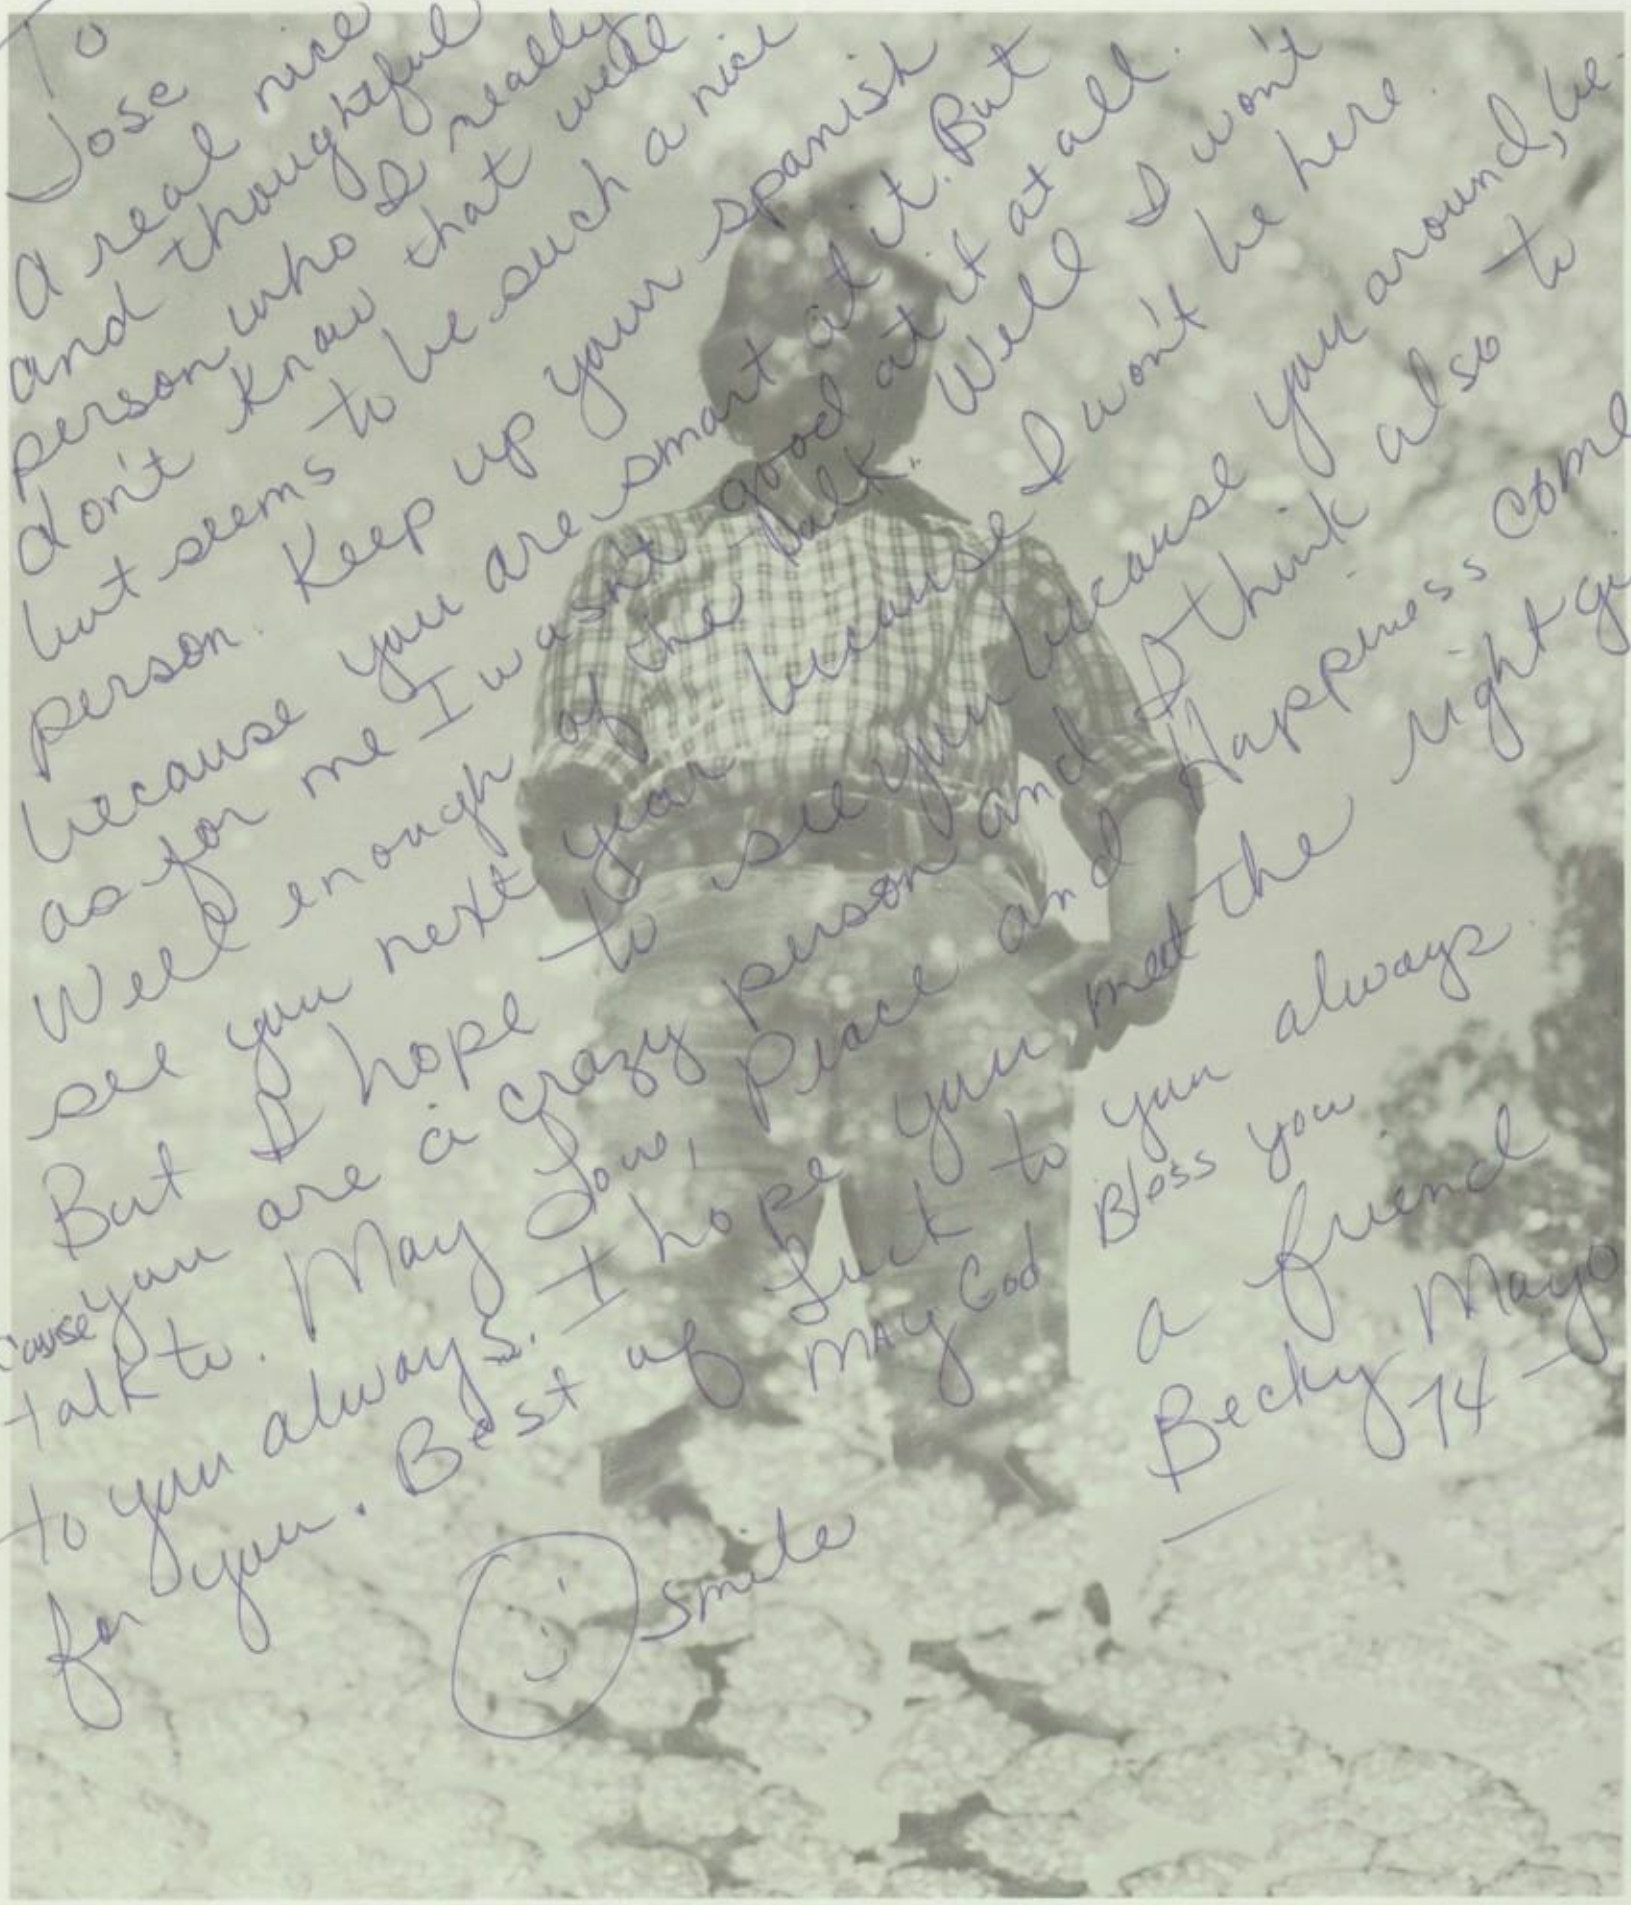
Many happy events took place at school this year, but one thing saddened the campus, the death of two students. Both would have graduated next year and succumbed to blood maladies. They will be missed by their friends and people who knew them.

SHAPES TO COME

People, activities and events, for a whole school year. You will probably always remember much of what went on during the year. Hopefully what will stick in your mind the most is knowledge you gained here—a skill you learned, a talent you improved or even an experience you had; whatever it was, that could have helped you.

But no matter how much you learn, any place at anytime, there will always be a doubt in your mind of what the future will bring. One certainty is old age. But otherwise you can pick what is ahead for you. Like a vending machine, you "push" for whatever you want, and you'll get it.





To
Jose
A real nice
and thoughtful
person who I really
don't know that well
but seems to be such a nice
person. Keep up your spanish
because you are smart at it. But
as for me I wasn't good at it at all.
Well I won't
enough of the talk.
see you next year because I won't be here
But I hope to see your person and I think also to
you are a crazy person and Happiness come
to you always. I hope you meet the right girl
for you. Best of Luck to you always
Bless you
a friend

just like the future.

Dear Gloria,

Glad I got to see you this yr. Have a great summer and I hope to see you both next Xmas. Thanks for all the times you took me home and bought me Dummer thanks for putting me down food & stuff. thanks for giving me the other 2 at OK Hope you is better than the same as if you want to change and making me feel like $1,000. Like yesterday. Well the strangers we sometimes pass like a regular Chuck. not really a Burger Due and I'll start speaking our lingo. Have a Day that will be different & hopefully more relaxing day

Love ya

Thanks for along time friend. Glad you came out & visited. Hope things don't get too hectic with your new job. Maybe we'll see you & Jan soon. Keep in touch & let us know how you're doing. Drop us a line when you get a chance. Good luck in every thing you do. I don't take that the way I think. I've taken up enough space. Hope you can come visit soon. Maybe you & Jan can come out & visit us. Meaning getting married. Let me know if anyone that I know is getting married. Would like them to buy me a present. Love ya

yours

Jose,
Well, once
again I've
had the good
fortune of having
you in my English
class (and History, too.) I
really like getting
to know you and
watching you
with your
other friends
and I'm very
glad that
you're in
my class
again next
year. Anyway, maybe I'll
get another
lucky
place-
mat next year and I can
write you
more (HA! HA!) and
be good (HA! HA!)
In the meantime, stay out of
the police
station!

Love,
Marie

P.S. Try and stay out of
trouble during the summer
and go to church once in
awhile, O.K.?
